All Leading Stores Will be Closed From 3 to 5 P. M.

The Western Maryland College Base Ball club will open the season of 1910 with a game with the Villa Nova College Base Ball club, the champion college team of last year. The game will begin promptly at 3:30 P. M. and promises to be a very exciting contest, as the Western Maryland boys fully appreciate the fact that they are going up against something.

Mr. Arthur M. Cottrell, an A. B. of Colegate University of New York, and former coach at Dickinson College, has been during the past winter, and is now, the coach for Western Maryland. Mr. Crolius, the famous Dartmouth foot and base ball player will coach the Villa Nova boys. The line up of Western Maryland College will be as follows:

Beck	C.
Dimpfel	P.
Stultz	1B.
Gibbons	2B.
Dooley	S. S.
Thomas	3B
Smith	L. F.
Thompson	C. F.
Turner	R. F.

The leading merchants of the city have agreed to close their places of business between the hours of 3 and 5 P. M. and the Westminster Band will parade through the principal streets of the city.

We have been authorized to state that the quarrels and bickerings which have heretofore characterized the games at the college between the home team and visitors will not occur on Monday. The boys of this year's team fully realize that the people of Westminster do not care to pay to see a game of ball and then have to witness a lot of petty quarrels between amateur players. So go up on the hill and give the boys another trial.

From Reisterstown.

A pet shepherd dog belonging to Miss Florence Shipley, eldest daughter of Mr. and Mrs. Wm. Shipley of Reisterstown was killed by Mr. Shipley Easter Sunday. The dog ran into the kitchen where a number of young ladies had congregated and showed some evidence of either madness or the effect of a poison. The young ladies soon vacated the room and locked the dog inside. When Mr. Shipley arrived home the dog was in convulsions and he killed it. Naturally it caused considerable excitement in Reisterstown. The dog had been given to Miss Shipley by Mrs. Joshua M. Patterson and was very much prized.
