displeasure, declareth and saith that she doth. In Testimony whereof we hereunto subscribe our names on the day and year aforesaid.

Wm. P. Stewart. Thos. H. Belt.

Received to be recorded the 31st day of December 1831. at five o'clock minutes past twelve o'clock noon. Same day recorded and examined pr. William Gibson, Clerk.

In Testimony that the aforegoing is a true Copy taken from Liber W.G. No. 216 Folio 21 one of the Land Records of Baltimore County, which record now remains in the office of the Clerk of the Superior Court of Baltimore City.

(Seal) I hereto set my name, and affix the seal of the Superior Court of Baltimore City this thirteenth day of February A.D. 1852.

Edward Dowling Clerk of the Sup. Court of Baltimore City.

Interrogatories to be answered by Robert Hooper a witness on the part of defendants (Filed before Commissioner).

First. Have you any Knowledge of the property west of Union dock and for what length of time have you Known it, and how was the space of ground west of and adjoining Union Dock, say to the distance of 45 feet west from Union Dock occupied and used during the time you have Known it.

Second. Was or was there not any difference and what between the mode of using the space to the depth of 45 feet from Union Dock and the ground still further to the West.

Third. Have you Knowledge as to the fences of the wood yard occupied by Elijah Taylor, and as to the road or way to the said wood Yard and the ground west thereof.

Fourth. What is your occupation and where is your place of business and where has it been for the last five years.

Fifth. How has the property with the wood yard of Elijah Taylor been occupied for the last five years and how is it now occupied, and particularly how has the space of ground 45 feet west of Union Dock been occupied and used, and how is — now occupied and used. Have you any Knowledge of a street South of the Wood Yard of Elijah Taylor and about 27 feet South thereof, running from Union Dock to the waters of the basin, was any such street in fact opened, and how was this space occupied and used. Was there or not any and what street or opening which passed through it, and how was the property on Eastern side of this street or opening used.

Geo: M. Gill for Respondents.

Additional question.

First. Have you any Knowledge as to the moving of the fence on the Southern line of the ground of the wood Lot, or what led to this — do you Know that the same was moved at all and what recollection have you as to the time when this was done.

Second. Look at the Plat hereto annexed and particularly at the Streets laid off and say if such streets were or were not to your knowledge opened through the said ground, with the exception of Mill Street, and what difference, if any was made between the use of what is shown on the said plat as the bed of the streets and the other property and also state — was the condition of the ground, on which William West has erected the warehouses mentioned by you and laid the foundations mentioned by you.

George M. Gill for Respondents.

Cross Interrogatories to Mr. Hooper. 1st. When was the Southern fence of Taylor's

wood yard moved and in what direction.

2d. When you first Knew the ground west of Union Dock from the head of it to White's Wharf, what were the improvements there.

3. Who first improved said ground and when. Saml. Mason Campbell for Complainant.

Interrogatories to be answered by John S. Beachen a witness on the part of defendants (Filed before Commissioner). First. Have you any Knowledge of the property west of Union Dock and for what length of time have you Known it and how was the space of ground west of and adjoining Union dock, say to the distance of forty five feet west from Union Dock occupied and used during the time you have Known it, was or was there not any difference between the mode of using the space, say to the depth of 45 feet from Union Dock & the ground still further to the west.

Second. Have you Knowledge as to the fences of the wood yard occupied by Elijah Taylor and as to the mode or way to the said wood Yard and the ground South thereof.

Third. Have you any Knowledge as to the mode of using the ground South of the Wood Yard of Elijah Taylor and if so state all you Know, and also all you Know in relation to any Street South thereof and running East and West from Union Dock to the waters of the Basin.

Fourth. What road or opening was there through the property South of Taylor's wood Yard during the time you have Known this property.

Fifth. Was there or not during the time you have Known this property any streets with the exception of Mill Street opened through the property or plat now shown you.

George M. Gill for Deft.

Interrogatories to be propounded and answered by —— Watkins a witness on the part of the Respondents. (Filed before Commissioner)

First. What Knowledge have you as to the use of the space of ground adjoining Union dock to the West and extending 45 feet therefrom from Wilkes Street South to the ground of Complainant. Were you or not aware that there was a street adjoining Union Dock.

Second. How often during the time you have acted as Inspector of wood did you visit this property.

Third. Was there any and what difference between the mode of using the said space since the year 1850 and from the beginning of that year.

George M. Gill for Resp.ts

Interrogatories to be answered by —— Taylor a witness on the part of respondents (Filed before Commissioner) First. For what length of time have you Known the property on and near Union dock belonging to Andrew Flannegan and the late Samuel Trimble and how has the same been occupied and possessed since you have Known it.

Second. How has the ground adjoining Union Dock, extending 45 feet therefrom been occupied and used since you have Known it — State as to that use and occupation of that part adjoining the property of Flannegan & Trimble and also as to the part North and South thereof.

Third. When were the obstructions in the travel to and from the property of Complainant first made, by whom and how and to what extent. State all the particulars. —

Fourth. What difference if any, is there between the present mode of travelling to and from the property of Complainant and that which was used formerly.
