OUR POLICY.....

We guarantee everything as represented—and we cheerfully refund the money for any purchase not satisfactory. We endeavor to close out each season's merchandise during that season—and this is the reason for this great Clearance Sale.

WESTMINSTER'S BEST STORE

Every item advertised on sale until sold out. Come early, as we expect a big rush of business, and the quantities advertised are limited.

All Summer Goods at, and in many instances BELOW COST!

We have started this SUMMER CLEARANCE SALE a month ahead of time, giving our customers at the start of the season the benefit of the end of the season's prices. And at the same time the advantage of full assortments to select from. We do not believe such low prices were ever quoted before at this period of the season, and we sincerely hope conditions will never again arise to require the same measures. It is a well known fact that the continued cool and rainy weather during the months of April, May and June was very bad for the Dry Goods and Clothing business, and has left us, like many other merchants, with thousands of dollar's worth of merchandise on hand that should have been sold during these months, therefore this sale NOW. We could fill this page telling you the whys and wherefores of the values presented. Every item on this page is a worthy BARGAIN. There are thousands just as worthy that could not get into type. We advise you to read this advertisement thoroughly. Don't attempt to simply glance at it. And remember that we've only told you about a few of the values that make this sale.

CLOTHING!

MEN!

We Have Started our Usual July Clearance Sale of CLOTHING NOW

Entire Stock at Reduced Prices!

This gives you the Low Prices of July at the season's very start. This gives you choice assortments to select from instead of the end-of-season remnants.

We do not believe such a step has ever been taken before in the annals of the clothing trade. It certainly offers prompt customers the biggest savings on GOOD clothing that have ever in our knowledge been given at this time of the season. When clearance sales occur they come after the stock has been picked over and the best styles and patterns sold—and the reductions offered you then are made too late to benefit YOU. But this sale comes right when you are ready to buy, and it provides full assortments of the choicest styles of the new season for you to select from—and it enables you to buy at prices that have never hitherto been possible before the end of the season.
