A WOMAN'S BACK

The Aches and Pains Will Disappear if the Advice of This Westminster Citizen is Followed.

A woman's back has many aches and pains.

Most times 'tis the kidneys' fault.

Backache is really kidney ache;

That's why Doan's Kidney Pills cure it.

Many Westminster women know this.

Real what one has to say about it:

Mrs. Elizabeth Gardner, E. Main St., Westminster, Md., says: "I suffered from kidney trouble for many years, having a dull, steady ache in my back. At times, I became so weak and tired that I could hardly do my work. My kidneys were disordered and the secretions passed too frequently. Not long ago I read about Doan's Kidney Pills and was so impressed that I procured a box at C. W. Moore's Drug Store. They soon drove away the trouble. I am glad to reccommend Doan's Kidney Pills to other sufferers of kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York sole agents for the United States.
