said Greene including the said deed to his Trustee were returned by the said Gephart to the Clerk of Allegany County Court and were by the said Clerk endorsed "Filed January 24th 1847" and were filed by the said Clerk amongst the Insolvent papers of said Court to the April Term 1847, of said Court: That the said deed was not recorded amongst the Land Records of Allegany County, and that no instructions were given to the Clerk at the time to transcribe the same amongst the Land Records. It is also admitted that it has not been customary in Allegany County to record deeds from an Insolvent to his Trustee by transcribing them in the Land Records and that such deeds have never been received by the said Clerk as for recording in that manner.

It is also agreed that the Clerk in making out the record shall insert the Schedule of property and the deed from George S. Greene to George A. Thurston Trustee, and shall also insert the writs of Vendition Exponas and the returns of the Sheriff thereon, these papers to be copied at length; and that the judgments and writs of Fieri Facias aforesaid against the said Greene and all the other papers connected with the application and discharge of the said Greene as an Insolvent shall be considered and treated as being offered in evidence, without the necessity of inserting them in the Record. It is further admitted that at the time of the application of the said George S. Greene for the benefit of the Insolvent Laws of the State of Maryland, he was in the possession of the lots of land in controversy in this case, except so far as the levy of the Sheriff upon the same divested said possession; that the said lots have never been enclosed and that there is no improvement upon them.
