FRIDAY, OCTOBER 28, 1910.

REPUBLICAN CANDIDATE FOR CONGRESS,
HON. WILLIAM B. BAKER,
OF HARFORD COUNTY.

In the leading editorial in its issue of July 15, 1910, the Democratic Advocate in speaking of its party said:

"Another thing that the leaders have omitted to do is to lay down a positive policy to guide the party in event of victory. A source of our weakness, heretofore, has been that the Democratic party was simply a party of opposition as it told the people only in general terms its proposed policy."

The prosperity of the farmer is the hope of the nation.

The farmers of the country have, under the protection policy of the Republican party, become so prosperous that the slick tongued gentry has made up its mind to get some of the money from them. Beware!

The increase in the value of the farms of this county, which has been brought about by the maintenance of a good home market for our farmers, under the Republican policy of protection, has amounted to a vast fortune.

This is an important campaign to the farmers of Carroll county. The Democrats, urged on by a body of theorists, are unthoughtedly injuring the farmers by an unwise attack upon our home markets and industries, the destruction of which spells ruin to our farmers.

The State tax will this year be 23 cents, an increase of 7 cents over last year, and on an increased basis of assessment. When you receive your tax bills for 1911 you will find out that Democracy in Maryland, with ring Democrats like Talbott and Crothers running the machine, is very expensive.

Governor Crothers has stated that he will recommend to the next legislature another road loan of $5,000,000. He need have no restless nights over the proposition because the next legislature and governor of this grand old State of Maryland will be Republican and no more road loans or increases in taxation will be tolerated.

Hon. William B. Baker, Republican candidate for Congress, has been enthusiastically received in this county during the past week. Wherever he has spoken his audience has listened attentively to his telling blows. The people of this county have confidence in Mr. Baker and will give him a substantial majority on November 8th.

We have been informed that the road from Cranberry station on the W. M. R. R., to this city, has been completed. Well, we think it is about time it was. It has taken over a year to build one mile of road, running very close to and paralleling the railroad, and if this pace is not increased the youngest child in the county will not see the "proposed" roads of this county finished. Democracy is great but it is as far behind in road building as it is in tariff tinkering.

If you don't believe the farms of this county have increased in value during the past and present Republican administrations, compare your present assessment to the one the present Democratic assessors are now putting on you. Will any one now sell his farm at the same price it would have brought during the last Democratic administration, when wheat was bringing 47 cents in Westminster? The maintenance of a large home market has produced the demand for farm products and the increase in the value of farm lands has been the natural result. Destroy that market and the price of farm lands will fall. A vote for William B. Baker, the Republican candidate for Congress in this district, is a vote to help maintain present prices of farms and farm products.

Beware!

We would warn our farmers to fight shy of some of the slick gentlemen who are now traveling over the country with all sorts of money making schemes. The farmers of this county are, as a class, pretty prosperous and this condition is inviting to our county all sorts of slick tongued gentry.

We have had hulless oats, walnut log and hay fork schemes but we understand the latest one is known as the "bundle" scheme. You may be asked to take care of a bundle and give a receipt for it so that the fellow leaving it with you can show his employer where the bundle is. If any such appear at your residence don't allow the bundle to remain at your residence, If, however, you should agree to allow the bundle to remain don't sign any papers whatever. Some persons have signed papers as receipts which afterwards appeared in a broker's office as promissory notes. Beware!

Not The Whole Truth.

In its issue of October the 14th, The Democratic Advocate inserted the following in its local column:

"In an article written by William H. Anderson, superintendent of the Maryland Anti-saloon League, he quoted as follows: "Mr. Talbott is a good fellow, and says that the Anti-saloon League is not fighting the man personally."

The above was a very small part of what Mr. Anderson said. What he did say was as follows:

"We admit that Mr. J. F. C. Talbott, the present congressman from the Second Maryland district, is a "good fellow," but he is a mighty poor representative of good people who want good government.

We admit that he is a genial gentleman with many of those human qualities which attract men and hold their allegiance. The Anti-Saloon League has never attacked him personally, but is unalterably opposed to the corrupt system which he represents, and stands for ending the blighting influence of his political leadership."

Our neighbor, who is always very quick to charge other people with improper motives, had better keep quiet after this.

ORDER OF PUBLICATION.

NO. 4565 EQUITY.
In the Circuit Court for Carroll County.
Willard E. Buckingham and B. Buckingham his wife, vs. Theodore Gayhardt and Rosa Gayhardt his wife.

The object of the Petition in this case is the adoption of Francis Gayhardt, a minor, and to have said minor's name changed to Bernard Eugene Buckingham.

It alleges that the Petitioners, Willard E. Buckingham and B. Buckingham, of Carroll County, are desirous of adopting said minor, that Rosa Gayhardt, the mother of said minor, is a resident of Baltimore City, that Theodore Gayhardt, the father of said minor, has deserted the said Rosa Gayhardt and that his whereabouts are to the Petitioners unknown.

It is thereupon this 24th day of October, 1910, by the Circuit Court of Carroll County, in Equity, ordered that the Petitioners cause a copy of this order with the object and substance of the petition to be inserted in some newspaper published in Carroll County once a week for two successive weeks on or before the 14th day of November, 1910, giving notice to the said Theodore Gayhardt to appear in this Court in person, or by Solicitor, on or before the 28th day of November, 1910, to show cause, if any he have, why a decree should not be passed as prayed.
