AN ADDITIONAL STATE LOAN OF $5,000,000 NECESSARY

Governor Crothers believes that an aditional loan of $5,000,000 will be necessary to enable the roads commission to carry through its present projects and supply reasonable demands for free and improved highways. For the purchase of all the turnpikes in the state on which toll is now charged, the sum of $2,000,000, and probably more, will be required. This sum is not now available nor will be available out of the $5,000,000 loan.

One of the turnpikes not owned by the state, but which the state would like to own, is the Reisterstown turnpike, extending from Baltimore to Reisterstown, thence through Westminster to the Pennsylvania line, a distance of 43 miles. The state made an offer of $130,000 for this road. The offer was declined.

The next turnpike which will probably be acquired by the state is that between Westminster and Fenby, a distance of three miles. The sum of $12,000 is asked for this road, which is said to be in good condition.

MARSTON ITEMS

Well, old Marston is still stirring. We have come to the conclusion that our little village is booming up some.

Washington Camp, No. 5, P. O. S. of A., is holding its meetings in its new hall over the blacksmith shop of Mr. Leonard Elgin. We think this move a very good one as the attendance has been large and all seem to be enjoying the meetings. This camp has been very active and has presented flags and bibles to Marston, Baile and Jordan's Retreat schools.

Mr. S. W. Bond has built a fine chicken house. Mr. Albert Cover is now building a very large chicken house. It looks like the chicken fever has struck our village.

Everybody is busy husking corn, hauling fodder, wood or manure, or plowing.

Miss M. E. Weidner, organizer of the Patriotic Order Daughters of America, will hold a meeting on Wednesday, November 30th, at 1 P. M., at the home of Mr. and Mrs. David Sharretts, in Marston.

Mrs. S. W. Bond and daughter, Evelyn, spent Sunday last with her parents, Mr. and Mrs. Nimrod Davis.

Mrs. David Zepp spent a week in Baltimore with friends and relatives.

On Wednesday, November 16th., Mr. Frank Frizzell, of this place, killed three hogs which weighed 598 pounds. Mr. E. A. Zile killed two fine hogs but we have not heard their weights.

One of the great pleasures of both young single men. and also many married men, is hunting, but they all report game very scarce.

UNIONTOWN ITEMS

On Tuesday members of the M. P. church took a very liberal donation of fruits, jellies and vegetables to the Old Folks Home in Westminster, which was no doubt appreciated by the inmates for as one gets older they feel kindly to those remembering them.

Circuit Court.

The only case disposed of by the Circuit Court before the adjournment for Thanksgiving Day was the one of George A. Fuhrman and Ella C. Wantz against John T. Furhman in which the jury rendered a verdict for the plaintiffs for the sum of $1221.80. Messrs. Hoff and Steele represented the plaintiffs and Bond and Parke the defendant.

The grand jury completed its labors and adjourned on Thursday.

TO THE HONORABLE, THE JUDGES OF THE CIRCUIT COURT FOR CAROLL COUNTY:—

The Grand Jurors of the State of Maryland, for the body of Carroll county, for the November Term, 1910, having finished the investigation of all matters brought to their attention, and in accordance with custom, respectfully report unto your Honorable Court as follows:

That they have been in session NINE DAYS, during which time they have received the Reports of SIX CONSTABLES; examined SIXTY FOUR WITNESSES in their investigation of FORTY CASES, and have found THIRTY-ONE PRESENTMENTS and TRUE BILLS. Among the cases investigated, in which no Presentment and True Bill has been found, is that of Jesse F. Gartrell, now confined in the Jail of Carroll county, on the charge of attempting to burn a certain store-house in Carroll county, Maryland. They have likewise not found any Presentment or True Bill in the cases of John Talbert and William Groomes charged with an assault with intent to murder, both of whom are under recognizance for their appearance at the present term of your Honorable Court.

They further report that, as required by law, they visited the Jail of the county, examined its condition, and interviewed the prisoners confined therein, being ELEVEN in number, all males, some of them awaiting the action of this Body, and others under sentence from Justices of the Peace. The Jail they found to be in excellent condition, considering the character and time in which the same was built. Making this visit at about midday, they were served with a splendid dinner by the Sheriff and family.

They then, following the usual custom, visited the Alms House, and found its condition, the farm, and the treatment of the inmates, many of whom they interviewed, far better than they had reason to expect, and cannot too highly commend the administration of affairs at this Institution by the present Steward and his wife. The inmates, THIRTY-SIX in number, twenty four males and twelve females, expressed themselves highly in their appreciation of the care and comforts, which they had received. The Grand Jury was also served with refreshments here.

This Grand Jury have few recommendations to make; one, which they believe would contribute to the comfort of future Grand Juries, is some proper means of ventilating the Grand Jury Room, which, at times has been found exceedingly unpleasant during this Session, owing to lack of proper ventilation.

They would also again call the attention of the county Commissioners to the lack of officers, to wit:—Constables, throughout the county. They realize, however, that in all probability, that it is not the fault of the county Commissioners that proper and efficient persons have not been heretofore appointed, and are rather of the opinion that the system so long followed is not suitable to present conditions, and that some proper legislation on this subject matter should be had. They feel that the county is to be congratulated on the absence of any great amount of serious crime.

The Grand Jury now respectfully ask that they be discharged, subject to the further call of your Honorable Court.

Respectfully submitted,
(Signed) EZRA C. CAYLOR,
Foreman.

MANCHESTER ITEMS

Some weeks ago the lay members of Trinity Reformed church met at the parsonage and organized an Aid Society of Willing Workers by electing Mrs. Dr. Land president; Mrs. J. E. Musselman, vice president; Miss Laura Burns, secretary, and Mrs. M. L. Morelock, treasurer. On Monday evening last they were entertained at their regular monthly meeting, at the home of Mrs. Chas. J. Everhart, on South Main Street, which proved to be an interesting social event. During the business period a number of new members were enrolled so that the list now is nearing 50 and a collection of $3.70 was placed in the hands of the treasuret, after a Thanksgiving play was creditably given by a number of young folks which was much enjoyed. Miss Reda Mining gave a reading on Thanksgiving that was appreciated. Singing and other social events made it a meeting of much pleasure to all present. The next meeting will be held at the home of Mrs. Julia Motter.

Mrs. H. S. Musselman and family and mother, Mrs. Tracy, and the Messrs. Lippy attended the funeral of their uncle, Mr. Valentine Wentz, of Hanover, on Monday last, who died at the age of 76 years. He was a native of the Lineboro section, but for a number of years was a business man of the above place. He resided at the home of his son-in-lay, Mr. L. H. Hoffacker. He is survived by one daughter and two sons.

On Monday evening our business places and homes using gas were compelled to call into use their old lamps and the streets were thrown into darkness about 7-30 on account of the well at the gas house failing and they did not have water enough for tank service. The officers were disappointed in not having water hauled on Monday, which matter was attended to on Tuesday and full service was given the town and customers on Tuesday evening. When the plant was first built they had a well dug that gave them a full supply of water but several years ago it failed. They then had it bored to quite a depth but that too has failed which puts them to quite an inconvenience.

Messrs. Ross Shower and Samuel Frederick are piping Trinity Reformed church to introduce gas for lighting.

The ladies and gentlemen have been in practice for several weeks and are finishing up their rehearsals for the play, "The Valley Farm," to be given on Thursday evening in the I. O. O. F. Hall for the benefit of Manchester Rebekah Lodge No. 18 I. O. O. F.

Mr. and Mrs. Carbach and daughter, of Swartz's School House, Pa., were guests of their brother and family, Mr. and Mrs. John H. Staub, of York St., on Sunday.

Mrs. Julia M. Motter spent from Saturday to Monday in Baltimore visiting her son, Joseph, who has suffered terribly from a gathered ear and some kidney trouble. Mrs. M. is improving nicely from her operation.

It is said that the annual conference of the M. E. Church will take such action as is necessary to sell the old M. E. Church on York street. Many years ago, Mr. W. W. Garner, a business man and resident of this place, gave the lot to the Methodist church for church purposes with the understanding that if abandoned for such purpose it was to revert back to the Garner heirs. Mr. G. went west where they are still living. The M. E. congregation has been weak for some years and of late other families have moved away so that the membership has been reduced to two familiies. The building needs repairs, the taxes and ground rents must be met with no present prospect for an increased membership, so it is said the minister in charge will recommend its sale as the Garner heirs relinquished all claim to the property. It is a fine location between the public school and academy grounds, the former of which should have 10 or 15 feet of the lot.

PROCEEDINGS OF THE SCHOOL BOARD

The Board of School Commissioners of Carroll county held a meeting in their office, November 21st., 1910. All the members felt deeply the loss which we have sustained in the death of Mr. Crouse, Counsel of the Board, which has taken place since the last regular meeting of the Board. The following resolutions were adopted:

WHEREAS, Mr. Benjamin F. Crouse, Counsel of the Board of School Commissioners of Carroll county, was always a friend of Public Education, and true to what he considered the best interests of the county; and, whereas he was always faithful and efficient in the discharge of every duty in regard to the Board and ready with safe and conservative advice; and, whereas his abundant cheerfulness and attractive personality made his presence helpful and pleasant in his associations with the Board; Therefore,

RESOLVED by the Board of School Commissioners of Carroll county, that we feel most keenly and deeply the loss which we have sustained in the death of Mr. Crouse.

RESOLVED, That we place upon record in the proceedings of the Board our testimonial to his sterling worth, faithful service, and the splendid example of his life.

RESOLVED, That in the death of Mr. Crouse, the Board of School Commissioners, the city of Westminster, the county of Carroll, and the State of Maryland have lost a friend and a citizen whose integrity of character, and whose practice and high appreciation of the duties assumed in public life, are rarely equaled in any man.

RESOLVED, That these resolutions be published in the papers of Westminster, and a copy of the same be sent to the family of the deceased.

The Secretary reported that at the suggestion of the President, he had communicated the death of Mr. Crouse to the members of the Board, and that Commissioners Jacob H. Blocher, Peter Buchman, Theo. F. Englar, Levi D. Reid, Charles Reed and the Superintendent met and attended the funeral in a body.

The Superintendent has made more than ninety official school visits during the current school year, and his information, and also the reports of the Commissioners, show that the attendance is larger than usual, and that the teachers are faithful in the discharge of their duty.

On motion of Dr. William E. Gaver seconded by Mr. Peter Buchman, with unanimous endorsement, Mr. Francis Neal Parke, was elected as Counsel of the Board.

After sundry bills were passed and ordered paid, the Board adjourned to meet in January, unless sooner convened by order.

S. SIMPSON, Secretary.

BLUE RIDGE COLLEGE

A large and appreciative audience filled our auditorium last Thursday evening. They were delightfully entertained by the Evelyn Bargeldt Concert Company. The universal verdict was that the program rendered was absolutely the best that was ever given in Union Bridge. Miss Bargeldt's cartooning was wonderful. Mr. Shields, the pianist, proved himself an accomplished musician. His fairy-like blending of the ever changing melodies literally took his audience by storm. The vivid flashes of the soul-stirring violin as handled by Mr. Erodody was marvelous. He plays with a power and finish second only to the great masters. The work of the flutist and piccolist, Mr. Bachelder, was captivating and grand. Hearty and spontaneous applause brought forth many encores and the enthusiasm displayed provoked a desire to give the beast that they were capable of giving.

Mr. Byron Baker, of York, nephew of Prof. Baker, was a visitor at the college this week.

When Mr. E. F. Long and Miss Alice Barto, Mr. Gernie Baker and Miss Bessie Wine boarded the train on Tuesday morning to attend the Moore-Wine wedding at Denton, a squad of fellow students made a genuine going away wedding demonstration at the expense of the prospective brides and grooms.

Mr. H. H. R. Brechbill traveled incognito and unaccompanied to Denton in order to see whether he really has any desire to get married sometime. The Editor of the Rays didn't want to go. He is already convinced.

Miss Grace Rinehart delightfully entertained the unmarried members of the faculty at supper on Saturday evening.

A special or semi-special literary program Friday evening December 2nd. by the Hiawathians. You are cordially invited.

Mr. Albert Wine, President Wine s oldest son, was married to Miss Lida Moore, of Denton, on Wednesday, Nov. 23rd., at 7.00 A. M. We extend to the happy couple our congratulations.

The Angel of death was a visitor with us this week. Miss Lizzie Switzer, one of the greatest benefactors of Blue Ridge College, died on Monday Nov. 21st., at 7.30 A. M. She was in her seventy-eighth year. Miss Lizzie has made her home with Pres. Wines' family during the past ten years. Previous to that time she lived in or near New Windsor. She was well and active until about two weeks before her death when she began to weaken and day by day she became weaker, but did not seem to suffer in any way. She has two nieces and one sister-in-law who are living in Iowa, but no relatives in this part of the country. The funeral was held on Wednesday morning. Services in the college chapel and interment at Pipe Creek cemetery.
