The Right Principle of Construction Saves you money

There is always just one right way of making a thing—and all the other ways are wrong. The right way to make a wire fence is to weld the wires by electricity at every point of contact. Clamps, wraps and ties are wrong, because they waste wire and add to the cost without adding the least bit to strength or durability. The strongest fence made is also the lowest in price. Simply because it is made on the right principle, which saves wire and adds strength.

"Pittsburgh Perfect" Fence

Is made of Open Hearth Wire Electrically Welded

All wires are galvanized by the most improved process. Every wire is open hearth wire, conceded by everybody to be stronger, tougher and better in every way than Bessemer steel wire. Line and stay wires are all of the same gauge (size)—a point which counts materially for strength and long life.

We simply ask you not to purchase any fence until you have seen the "Pittsburgh Perfect" Fence—the fence without weakness, and without waste. It is made in 73 different styles for every fence purpose

ODD FELLOWS PLAN ELABORATE REUNION.

Members of Executive Committee Bring Report of Enthusiasm and Promised Large Crowds at Pen-Mar, August 10—ExGov. Warfield May Preside.

(From the Daily Record, Waynesboro Pa., of May 17.)

The reports which the members of the executive committee of the Odd Fellows reunion at Pen-Mar brought to Waynesboro, yesterday afternoon, were all such as to lead to the conviction that this second gathering of members of the order at the mountain will be marked by an immense crowd.

Date and Officers.

As told in these columns, yesterday, it was determined to hold the reunion at Pen-Mar, Thursday, August 10, and this organization was effected:

Chairman—Fred A. Groom, Baltimore.

Secretary—Wm. G. Eppley, Waynesboro.

Treasurer—Dr. E. D. Thomson, Washington, D. C.

One Eloquent Speaker.

The matter of a program was discusssed but not definitely decided upon, except to determine that, instead of several speakers, there will be only one, who shall be an Odd Fellow of oratorical ability and prominnce in the country. The procuring of the speaker has been placed in the hands of the chairman and secretary.

It was, also, decided to invite ex-Gov. Edwin Warfield, of Maryland, to preside.

Drills by Cantons.

There is a remarkable assurance that there will be present cantons from Washington (the Washington canton won the $1,000 prize offered by the sovereign grand lodge), Baltimore, York, Hagerstown and Cumberland; and, perhaps, from Harrisburg, Steelton, Chambersburg and Winchester.

Degree of Chivalry.

There will be another feature which is expected to arouse much interests. Instead of a drill contest by the Rebeckas, the degree of chivalry will be conferred upon the female members of the Rebeckas who have been voted that honor. The decoration is granted by the grand lodge and the conferring of the degree is said to be very beautiful.

With the purpose of perpetuating the reunion idea, there was a motion at last year's reunion that the chairman appoint a committee for the reunion of 1911.

The committee decided to suggest to the reunion this year, the following plan:

"That the grand masters of the District of Columbia, Virginia and West Virginia be authorized to appoint one member each and the grand masters of Maryland and Pennsylvania be authorized to appoint three members each to serve as a reunion committee for the coming year and to forward promptly the names of their appointees to the chairman of the retiring committee, to be called together by him."

Railroads Will Assist.

The committee had the assurances of general passenger agents of the railroads through the territory covered by the reunion, of their willingness to give the necessary train service.

There will be two W. M. R. R. trains from Baltimore, two from York, one from Cumberland, one starting from Westport, one from Westminster, one from Shippensburg.

The C. V. R. R. will run a train from Harrisburg and one from Winchester.

The C. V. R. R. will run a train from Washington with a second special starting from Ellicott City and uniting with the Washington special at Waverton. The second special will enable the strong lodges of southern Carroll and Frederick counties, Md., and northern Howard and Montgomery to attend. Much interest is taken in the reunion in this section. Such gatherings are popular there and one is held in a local way each year.

The N. & W. will give a special service for the benefit of the Shepherdstown and Charlestown people.

Members Present.

These members of the executive committee were present, yesterday afternoon: Fred A. Groom, Baltimore; Dr. E. D. Thomson, Washington; D. L. Clayton, Cumberland, Md.; E. T. Licklider, Shepherdstown, W. Va.; W. G. Eppley, Waynesboro.

Several members were kept away by meetings of the grand lodge of this state and by business engagements previously made.

Executive Committee.

The members of the executive committee for this year's reunion are as follows:

Maryland—John H. Hollyday, Hagerstown; D. L. Clayton, Cumberland; Fred. A. Groom, Baltimore.

Pennsylvania—Jesse W. Biggs York; Hon. Millard F. Thompson, Carlisle; Wm. G. Eppley, Waynesboro.

Virginia—Robert L. Gray, Winchester.

West Virginia—E. T. Licklider, Shepherdstown.

District of Columbia—Dr. Edgar D. Thompson, Washington.
