Barrel Spray Pumps

Do you know that we can save you four dollars on your Barrel Pump

A $20.00 PUMP FOR $16.00

This Empire King spray pump has a **solid seamless brass cylinder.** The plunger and rod are also made of solid brass, no **leather** nor **rubber** to become worn and give trouble.

The agitator rotates instead of working up and down as it does in some other pumps. This insures a thorough mixing of the solution. Another nice feature of this pump is the **brush on the agitator.** This brush keeps the strainer perfectly clean and makes it impossible for dirt to be drawn up in the pump. This feature alone is worth dollars to the buyer.

We also carry a cheaper pump made by the Myers people. This pump has a brass lined cylinder and is an excellent pump in all respects only the air chamber is not as large as the above.

TO DOUBLE YIELD OF CORN IN STATE

Crop Improvement Association Starts Its Campaign.

To make two ears of corn grow where only one has heretofore been expected to grow, and larger and better ears at that, the crop improvement committee of the Baltimore Chamber of Commerce, under the direction of J. Collin, Vincent, Paul Frame and J. T. Clendenin, is carrying on an extensive campaign of instruction among the farmers of Maryland. The same sort of work is in progress throughout the country under thedi rection of the national committee.

The campaign in Maryland is carried on with especial zeal because seed corn this year is in unusually bad condition, much of it being immature, damp and frozen—complaints of low vitality are heard not only in Maryland but all over the United States.

The efforts of the committee are mainly directed toward inducing farmers to test their seed corn before planting.

Simple Tests Show Vitality.

The process of testing corn for planting is simple, and the results are certain. The ears intended for seed should be carefully selected, because every grain planted should grow. One bad kernel in a hill often kills all the others. Weakness cannot be overcome by planting an additional quan-

Sore Throat Wisdom

If every mother could realize the danger that lurks behind every case of sore throat, she wouldn't rest until she had effected a cure every time a child has it.

Your family physician will verify the statement that it is a positive fact that every child with sore throat is in immediate danger of contracting Croup, Quinsy, Tonsilitis or Diphtheria, and is not removed from that danger until the throat is cured. Think of it!

Liniments or outward application of medicines do not and cannot cure the ailment, though they may offer temporary relief. Neither can you cure sore throat with a cough syrup or a cold cure.

To cure, you must get at the seat of the disease, removing the cause. Nothing does that so quickly, safely and surely as **TONSILINE.** A single dose of **TONSILINE** taken upon the first appearance of sore throat may save long weeks of sickness, great expense, worry, even death. **TONSILINE** is the stitch in time.

Use a little sore throat wisdom and buy a bottle of **TONSILINE** today. You may need it tomorrow.

TONSILINE is the standard sore throat remedy—best known and most effective and most used. Look for the long necked fellow on the bottle when you go to the drug store to get it. 25 cents and 50 cents. Hospital Size $1.00. All Druggists.

MANCHESTER

April is here and with it came the hurly burly moving season and it has become a common thing to see a long line of farm wagons loaded to their full capacity moving to or fro on our street conveying the personal effects of some family to a new home.

Last week Mr. Henry Yingling left the farm, 1 mile west on the Westminster road, and moved to the farm of Mr. Chas. H. Everhart, north of town, and Mr. Jacob Leese occupied his farm vacated by Yingling. Edward Weaver and family, moved into part of the home of Mrs. Berwager, on north Main street. Mr. Williams occupied the home he bought of Mr. William Abkin, on south Main street. Mr. E. W. Gregory brought his personal effects from Hoffmansville to his home on York St. Edward Stoffle and family moved from a farm in Pa., to the Jacob Rupp farm at Maple Grove. Charles Sandruck quit the blacksmith shop at Mauratte's, on south Main street, and with his family moved to Melrose to carry on the Bucher blacksmith shop. Dr. Harry Preston moved personal effects from the Hoffacker home on Foundry avenue, to Greenmount, and this house was occupied by Irvin Furhman and family. Mr. Jacob A. Frederick, who sold his home on north Main street, moved to his farm near Lineboro, and the purchaser, Mr. George Folk, moved into the home on Tuesday with a line of wagons that at noon blocked the street for quite a time. Mr. F. had an exceptionally good sale of his stock and farming utensils last week.

A number of our young folks gave a hop and social in the I. O. O. F. hall on Wednesday evening, 27 inst., that was largely attended. Some one said it was leap year dance and the boys were afraid to attend so that the ladies had the majority of 2½ to 1. But a good social time was enjoyed until a late hour. The Hoffacker orchestra from Alesia furnished the music.

The ladies of the Sewing Circle met at the home of Mrs. Rev. Lau, on Oak Tree avenue, Thursday evening last, and spent a pleasant time, and were entertained with fine refreshments. Mrs. Charles M. Masenhimer had the Circle at her home on the evening of the 21st ult., where they enjoyed a social evening as well as abundant refreshments.

Mrs. Julia M. Motter had her millinery opening on Saturday last that was quite a success as well as a social meeting of the ladies to express their likes and dislikes of the many shapes of the headgear. In passing by we were attracted by the moving tableau in the evening in the trying on of the different hats by a number of lady friends who had quite a merry time.

Dr. T. S. Lau will hold communion services in Trinity Reformed church of this place on Sunday, 14th inst., at 10 A. M. Preparatory and confirmation services on Saturday after-noon previous.

Mrs. C. J. H. Ganter, who was so ill several weeks ago with erysipelas at Harrisburg, is now home convalescing, though weak. She was accompanied home by her grandson Charles Miller who has fully recovered from his scald.

Mr. John C. Denner Sr., is still closely confined to his room from paralysis. While his condition one day may be favorable for several others again it is critical. His son, Dr. Wm. R. S. Denner, is still here giving close attention to him.

Mrs Weller, son and daughter, of Columbia, Pa., are visiting Mrs. W's. parents, Mr. and Mrs. Peter Helfric, on north Main street.

Mrs. Ida Brilhart represented Manchester Rebekah Lodge No. 18, I. O. O. F., Mrs. Mamie Burgoon filling her position as O. G., and Mrs. Daisy Burgoon, District Deputy, attended the sessions of the Rebekah assembly in Baltimore this week.

The thunder storm that passed over this section on Tuesday evening at 6 P. M. must have had wrapped up in its folds and wind storm a cloud burst that for 20 minutes or more gave us a down pour such as we never had before. In a few minutes the gutters were over flowing and the streets were covered with the on rushing water. The fall was so dense that houses on the opposite side of the street could only be seen dimly.

Prof. John Dooley resigned as teacher of the intermediate department of our schools and left on Wednesday for Illinois where he has signed with a baseball team for the season.

The Cellsman and Frankforter store suffered a damage of $9.00 by the rain storm finding its way into one of their show windows among the fancy waists and gloves.

Mr. B. F. Armacost is having the stone hauled for the foundation walls for his new home on Foundry avenue.

Our bachelor friend received a shower of congratulations and well deserved comments on Sunday morning after service for the fine decorations he had placed in Trinity Reformed Church in honor of Palm Sunday. His highly prized mammoth palm was prominent inside the altar railing with potted plants. A cross and plants decorated the altar. which was in white dress, trimmed in purple, with the reading desk and pedestals and pots in corresponding trimming. Charles, who was in up-to-date dress, showed about three inches taller than his normal size, while he sported a leap year smile.

At this writing the mercury which was sporting around 50 and 60 for some days is below freezing and the ground is frozen.

SHIPLEY

On April 2nd, about 6 P. M. we were visited by one of the most severe wind rain and hail storms that ever crossed our county. The high wind blew down buildings, tore off chimneys, and up rooted hundreds of trees along its path and in many instances the debris was carried and scattered for several hundred yards.

So far as we have heard Judge Wm. Y. Frizzell and Mr. Columbus A Shipley, suffered most. The storm caught Mr. George Lescallete upon his mail route delivering mail.

The wind blew his mule and buggy, with him in it, out off the road, over into the field, with the mule down and the buggy up side down. Mr. Lescallete escaped unhurt, but says that he and his mule were nearly drowned. He had to borrow a buggy to go home in.

Miss Sadie E. Shipley of Melvale Baltimore county paid her sister Mrs. Bessie S. Hughes, of Gist, a flying visit from Friday until Sunday of last week. She was taken by surprise, however, as it was her birthday. Mrs. Hughes had prepared a beautiful supper and had invited a number of her intimate friends and relatives to be present and help her to celebrate the day. On account of the evening gust of that day only a few were able to be present. Those present were: Mr. and Mrs. Harry Hughes, Miss Sadie Shipley, Mrs. Robert Hughes and daughter Carrie, of Freedom; Mr. and Mrs. Columbus A. Shipley, of Gist; Mr. Grove J. Shipley, of Shipley; Mrs. Margie Tawney, of Westminster; Mr. Sargent Philips, of Baltimore city; Misses Elizabeth and Catherine Hughes, Miss Mabel Shipley Messrs, Amon and Donald Chipley, of Gist, and Master Edgar and Robert Hughes. Miss Sadie was royally entertained and kindly remembered by her friends. The evening was spent in social discourse, interspersde with choice music. All seemed to have enjoyed the occasion hugely and at 10 P. M. the crowd dispersed for their respective homes, after due congratulations and adieus.

NEW WINDSOR

Mr. Charles W. Smith died at his home on High St., Tuesday night about 10 o'clock from strangulated hernia. He was taken ill on Sunday evening with indigestion and continued to grow worse until he died. His wife, whom he maried a few month ago, was on a visit to her friends in Waynesboro, Pa., at the time of his illness and did not receive notice of his condition until just before he died. She returned home this Wednesday morning and was prostrated with grief. Mr. Smith was a highly respected citizen and a jeweler of some renown. Some years ago he was a conductor on the W. M. R. R. and had many friends among the old railroaders. He was a member of Sulphur Spring lodge 130 I. O. O. F. and was always ready to bear his share of the work in the Lodge. He is survived by a wife, and three children by a former marriage Mrs. Arthur M. Zile, of Winfield and Miss Cora and John H. Smith of New Windsor. He was about 67 years of age. Funeral was held on Friday, at 2 P. M., and was in charge of the Odd Fellows. Interment at Winter's Cemetery Rev. G. W. Baughman officiated.

On Tuesday evening next Banner Encampment I. O. O. F. will initiate a class of candidates. The work will be done by a team from Baltimore, assisted by the local Lodge, and will be followed with a smoker. A full attendance of the members desired.

Forrest Otto and wife, of Taneytown, spent Sunday last with his mother, Mrs. Emma Otto.

The bell on the Firemen's Hall was rung the first of the week.

D. P. Smelser left Wednesday for Roanoke, Va., on a business trip.

John G. Snader and Miss Emma Otto were married in Baltimore Wednesday.

Isaac Gilbert and family moved from John C. Buckey's farm Monday last, to his recently built home on High street extended.

BACHMAN'S VALLEY.

The Union Sunday school at the church of the U. B. was reorganized on Sunday morning, at 10 A. M. The Hog Must Leave Union Bridge.

The first of the spring elections in this county was held Monday in a spirited contest at Union Bridge. The Mayor and Common Council during the last year were R. O. Fuss, Mayor; John H. Repp, Silas D. Senseney, J. Wesley Little, Jacob S. Gladhill and William H. Perry. These were re-elected today, with the exception of Senseney, who was defeated by Geo. V. Byers of the opposition ticket.

The question of hogpens within the town was also submitted to the voters and by a majority of 10 it was decided that the hog must go.

BLUE RIDGE COLLEGE TO MOVE.

Harrisonburg, Va., April 1.—Late Saturday night an unparalleled jubilee reigned in Bridgewater, Rockingham county, when a telegram from Union Bridge, Md., stated that the Blue Ridge college trustees had unanimously decided to consolidate the two Dunkard colleges in the town of Bridgewater. The Blue Ridge plant will be combined with the Bridgewater institution. After next September the greater institution will be known as Blue Ridge College.

DEEP RUN

Public sales are over and flittings have taken their place.

On Wednesday, as Mr. John W. Zepp was on his way to the public sale at Mr. Eckards, he discovered that Raish Flichman's dog followed him. He stopped his horse and without tying it began to thrash the dog. This frightened the horse and it started to run at full speed with little 6 year old Hilda seated in the buggy. It ran about ¾ of a mile when the buggy turned over and dumped the little girl out unhurt.

The harness broke and the horse ran about 2 miles where he was found in Mr. Charles Crowl's wheat field, safe and all right.

Mr. David Earhart is much improved.

Last Thursday Mr. Eddie Riffle, of near Wisner's school house caught a fish crane in one of his steeltraps which he had set along Pipe Creek for muskrats. It measured 6 ft in height. By the way, some men say he must have been a dangerous bird. Next time keep your hands in your pockets or be prepared with a pocket knife like the other fellow.

Don't forget the entertainment in the I. O. M. hall Union Mills, on Saturday evening April 6th, by the members of the Union Mills Band.

Some of our farmers have started to plow, others are hauling manure and flittings.

PROTECT THE BIRDS

New York, April 4th—The arrival of many Summer birds from the South the past week has been the most dominant evidence of Spring about New York.

The notable increase in the numbers of some species is attributed by the officers of the Audubon Society to the recent enactment and enforcement of more stringent game laws, both North and South.

"The main flight of the Wild Ducks from the Southern marshes is now apparent", said Mr. T. Gilbert Pearson, Secretary of the National Association of Audubon Societies, today at the headquarters, 1974 Broadway. "Their reported increase in number this Spring is an unanswerable justification of the stopping the sale of game by a law in New York and other Northern States."

Being unable to find market for their birds, many pot-hunters in the South have this past Winter abanddoned their hitherto lucrative occupation, and shipments from the South have greatly decreased everywhere except from Arkansas.

Lovers of Robin Red Breast are rejoicing over the passage of the recent law in Virginia which now renders it illegal to kill Robins. Virginia has heretofore been one of the seven states in the Union which still legalize the killing of these birds. Bird protectionists, headed by the Audubon Society, are today declaring their intention of continuing the campaign until no where on the American continent can Robins longer be shot for pot-pies.

MORGAN.

The oyster supper held at Morgan Chapel last Friday and Saturday night was a successful affair, with a good attendance both nights. The trustees beg to thank all who contributed towards it.

Mr. and Mrs. Robert Gosnell spent Sunday with Mr. and Mrs. Wm. Fowble.

Mr. Thomas Gartrell and family have moved on the farm of J. C. McKinney, near Mt. Airy.

Our M. and F. telephone is being augmented by an additional line, which is calculated to reach Gaithers, Md. Each stride grows greater, and we hope it is not long distant when we shall be in direct touch with Baltimore.

Miss Jessie Gosnell, of Woodbine, is visiting Mrs. Mary Gosnell.

Mrs. Harry Owings visited Mrs. Kate Barry at St. Agnes Hospital last week, and found her improving and expecting to sit up in bed within the next few days.

Mr and Mrs. Thomas B. Gosnell, and Mr. and Mrs. States L. Gist visited Mrs. Aaron Gartrell Sunday.

We are glad to report that our pastor, Rev. T. M Dickey, has been returned to us to continue his good work.

Wagon Runs Over Amos Wolf.

A serious runaway accident occurred on the Hanover pike, between Greenmount and Manchestr, Saturday when a four horse wagon of Amos Wolf passed over his hip and legs. Mr. Wolf, who lives about half mile from Manchester, was driving the team when the mules in front scared at a bicycle. Mr. Wolf leaped to the ground and tried in vain to check them. One tramped on his foot throwing him under the wagon.

He was taken in a buggy to Horatio Garrett's home by Clarence Loatz and Dr. Bonnett, of Manchester, attended and is doing well in care of Dr. J. H. Sherman.

Five Or Six Days Will Tell.

Remove 6 to 10 kernels from each ear selected, numbering each ear and putting the kernels from each in the corresponding square in the box. Place the box in a warm place where it will not chill. Keep the pad well dampened and water, and in five or six days you can roll up the pad carefully, and you will find that your seed will show its quality; kernels which show both sprouts and rootlets in healthy condition are fit for planting; ears from which the kernels show sprouts only, or rootlets only, may or may not grow, but it is best not to take any chances with such ears.

All weak and dead ears should be thrown into the feed box and the test repeated until enough perfect ears are obtained to plant the required acreage.
