Fire And Storm Insurance

Consult me before insuring your properties as I am certain I can save you some money.

I am writing insurance every day, both Fire and Storm, and nothing is beneath my notice, as I take large and small, and both receive my best attention.

Fires take place when least expected and it is mighty comforting to know that you are being taken care of by a first class company. Examine your policies before they expire and let me renew them for you. Prices are low compared with the protection given.

MA'S POLITICS NOT INFLUENCED BY PA'S.

Seattle, Wash., April 26,— Mrs. Geo. B. Simpsaon at Vancouver, Wash., will be one of the six women delegates to the Democratic State Convention at Walla Walla selected by Clark county Democrats.

"Four of those six women delegates have Republican husbands," said Mrs. Simpson. "which proves that Washington women are doing their political thinking independently. Why Mrs. Lloyd Dubois, whose husband is one of the most prominent Republicans in Southwestern Washington, will go to Walla Walla as a Democraic delegate.

"Our delegation is instructed, but a private poll shows that it stands 11 for Woodrow Wilson and 5 for Champ Clark. I am for Wilson myself and am proud of it."

Weekly Review of Trade and Market Reports.

New York.—R. G. Dun & Co.'s Weekly Review of Trade says:

"That the recent improvement in the volume of trade is fully maintained is evidenced by the latest statistics. These proofs of business activity are all the more significant because weather conditions have not been altogether favorable to distribution and retail trade has, in particular, been somewhat checked as a consequence."

Bradstreet's says:

"Trade reports are irregular in tone, with here and there streaks of disappointment, but on the whole the trend is in a satisfactory direction. The dry goods trade in general reports that untoward weather has hurt retail trade.

"Wheat, including flour, exports from the United States and Canada for the week aggregate 3,169,514 bushels, against 2,843,789 last week and 1,685,666 this week last year. Corn exports for the week are 76,472 bushels, against 540,484 last week and 733,567 in 1911."

Hagerstown.—Fire that is supposed to have started from a defective flue destroyed the general merchandise store and dwelling-house of Jas. A. Daley at Cearfoss, this county, entailing a loss of about $8,000, with practically no insurance. Everything in the store, which was well stocked with produce, was destroyed.

Frederick.—Miss Mary Hauer, 93 years old, a lifelong resident of this city, has removed to Hanover, Pa., to make her home with her sister, Mrs. Vouck. She is a cousin of Barbara Fritchie, Whittier's heroine, and at one time taught private school. Barbara Fritchie's closest living relative now is Mrs. John H. Abbott, a grandniece, of this city.

A little sister of the boy, aged 1 year, was under the table and another sister was amusing it by snapping the trigger of the gun. The boy came in and took the gun, and his sister ran after a shell and placed it in the breech. On the second attempt to pull the trigger the gun went off within a foot of the infant, the full load tearing an ugly wound in its breast and causing immediate death. A physician found life extinct. The father and mother are prostrated.

Pittsburg, April 26.—The Westminster Shorter Catechism, which for 210 years has been sacred to the Presbyterian Church, is to be dressed up in present-day language.

This committee will report its work to the General Assembly next month and there is little doubt that the revision will be accepted.

"We do not propose to foresake any of the principles of the catechism," said Rev. Dr. David S. Schaff of Western Theological Seminary, chairman of the committee.
