Prof. S. Simpson Dying.

Prof. S. Simpson, Superintendent of the Public Schools of this county, is gradually sinking.

Go to the polls Monday and vote and then don't have a grouch because you are not satisfied with what went on.

Ex-President Roosevelt will speak in Westminster to-morrow and we hope the citizens will come to hear him. He generally says something worth listening to.

President Taft will speak in Baltimore to-morrow (Saturday) night We are sorry he willl not speak in Westminster, because we are sure that if our people could see him and hear him speak they would have a more kindly feeling for him.

The bazar and supper to be held to-morrow afternoon and night by Salem Lodge I. O. O. F. of this city deserves to be supported by our citizens as the proceeds are to be used in defraying the expenses incurred in the remodeling of the lodge's hall. Westminster now has a hall it need not feel ashamed of, and Salem Lodge deserves the credit for it.

The people of this county will have an opportunity to express their choice for the presidential nomination Monday, at which time the Presidential Primary Election will be held for the first time in this county. Every qualified votes should exercise his privilege, be he Democrat or Republican, because by doing so he will aid in nominating proper candidates and will help keep this government in the hands of the people.

We have received many compliments on the first issue of the Semi-Weekly Sentinel. It gave out the news of the county and this city while it was fresh. We do not expect to remain contented with putting a 4 page paper on the market but hope to be able, in the near future, to publish a larger and more interesting paper. We can accomplish it by strict attention to the business of publishing a newspaper, hard work and by not mixing up in any other one's affairs.

Mr. Paul Case, a member of the present Common Council, and a gentleman experienced in the affairs of this city, has announced himself as a candidate for Mayor His candidacy gives the voters an opportunity to express a choice between two gentlemen.

Mr. Case has made an excellent member of the present council. is an experienced builder, and should receive the support of all citizens who are in favor of awarding honest services rendered the city, and who believe the present financial condition of the city calls for a gentleman of experience.

The registration of voters which took place Wednseday will cost the taxpayers of this county about $1500, and if each district registers about the same number of persons as were registered in Westminster district it will cost about $3.50 for each one registered.

We willl have another registration in October and we think the present one entirely uncalled for. It may be very well to have such laws for large cities but the counties, at least Carroll county, can get along very well without them. Most of our laws, however, seem to be handed out to us by Baltimore city people, who do not realize that the conditions in the counties are not the same as those existing in the large cities.

The May registration, however, comes but once in four years and, perhaps, before the time for the next one comes along the law will be repealed, in so far as it relates to the counties.

A HAPPY HOME

is one where health abounds. With impure blood there cannot be good health. With a disordered LIVER there cannot be good blood.

Tutt's Pills

revivify the torpid LIVER and restore its natural action.

A healthy LIVER means pure blood. Pure blood means health. Health means happiness.

WESTMINSTER PROOF

Should Convince Every Westminster Reader, ..The frank statement of a neighbor, telling the merits of a remedy, bids you pause and believe. The same endosement; by some stranger far away, commands no belief at all.

Here's a Westminster case. A Westminster citizen testifies.

Read and be convinced.

James F. Rinker, justice of peace, E. Main St., Westminster, Md., says: "I willingly confirm all I said in praise of Doan's Kidney Pills in the public statement I gave in 1907. I suffered for some time from kidney and bladder trouble, brought on by cold. My back ached intensely and I felt miserable in every way. Doan's Kidney Pills, procured at Moore's Drug Store, gave me entire relief. I consider them an excellent remedy."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

Remember the name—Doan's—and take no other.

A great curiosity, in the form of a "load of hay", passed through Gamber Wednesday morning causing everybody to crane their necks.

Quiltings are still hobbies among the ladies. One was held at the home of Mrs. William S. Gamber Tuesday. Various subjects were discussed. Among those present were: Mesdames A. M. Gamber, Ida Willis, Ada Shipley, Margaret Haines, Martha Barnes, Lizzie Barnes, Mary Gamber, Mary Brothers and David Leister and Misses Lyda Gamber and Rachel Poole.

Mr. George Gamber, of Bingham has puchased a Cameron automobile from Mr. Harvey Lockard.

Miss Rachel Pool had a quilting party last week.

BLUE RIDGE BREESES

Miss Carmen Nicodemus has again taken up her work after an illness of about four weeks.

The 1912 graduating class was royally entertained at the home of the Misses Bonsack Tuesday evening.

Wednesday morning the seniors found they were much stouter and looked quite spry so decided to go to Westminster and have their "looks" taken.

Baseball Saturday May 11, at Union Bridge. Maryland School for Deaf and Dumb vs Blue Ridge, Buckey's meadow at 2.30 P. M. None of the Frederick players can talk or hear. They communicate entirely by signs. They are excellent ball players and have won a number of big games this season. The public is cordially invited to attend all our games.

Dr. Judge, of Baltimore, and Dr. Charles R. Foutz, of Westminster, representing the State Board of Health, were in Union Bridge Monday. They were taking testimony in regards to the injurious affect of the dust. The Cement Company evidently got wind of their coming as the output of dust was not so conspicuous on that day.

A crowd of our student politicians and their friends expect to go to Westminster Saturday morning to hear Ex-President Roosevelt deliver his address.

Congratulations American Sentinel, yuo are very much alive and up-to-date. Carroll county shou'd have had a semi-weekly long ago. Success is yours.
