UNIONTOWN.

News from the towns of this, and the adjoining counties, described the spring cleaning of their towns, and getting things in more sanitary condition. We too should brush up in the matter and not allow any thing unnecessary to be around to breed flies and masquitoes when the hot weather comes.

The potato bug, has not waited for warm weather but is here ready to commence business, at the first appearance of the sprouts above ground.

Mrs. Clayton Hann, and daughter Miss Nellie, are spending this week with the family of James O'Mear near Glyndon.

Miss Pearl Rodkey, of Baltimore, returned home with J. W. Rodkey, this week, and will spend the summer here.

David Stoner, of Westminster, is having the house and store room, occupied by Dr. Jesse Englar and W. P. Englar, brightened up very much by having it all newly painted. W. E. Slonaker is the painter.

John Romsport, of York, is home for a time.

Melvin Routson is further improving his property by enlarging chicken houses, and repairing summer kitchen.

George Lambert attended the funeral of his brother-in-law Andrew Harner, at Baust Church last Saturday.

SHIPLEY

The bad weather has delayed farm work. As soon as the weather settles the farmers will be pretty busy.

Those on the sick list are: Mrs. John Wagner, at her daughter's Mrs. John Hook; Mrs. Grove A. Shipley, at John T. Wagner's and Mr. John Polster, at his home.

Tonsiline Cures Sore Throat

The throat is one of the most delicate parts of the body. It is also one of the most important, and should be given the best possible care.

The throat is the gateway to the body. The air we breathe, the food we eat, the liquids we drink, all pass through it. It is very easily affected by cold, strain, exposure, etc., and Sore Throat is therefore one of our most common ailments. Strangely enough, it is also one of the most neglected.

Sore Throat is a very serious matter, for the whole system is in danger in consequence of it.

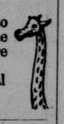

Every Sore Throat patient is a candidate for Tonsilitis, Quinsy, Diphtheria and other serious or fatal diseases, all of which can be prevented by the timely cure of the Sore Throat by the use of TONSILINE.

If taken in time a dose or two will do it.

TONSILINE is made to cure throat diseases and nothing else. It is the one remedy for this purpose sold largely in the United States. Every user endorses it; every physician, knowing its virtues, commends it.

The one most important thing to remember about TONSILINE is the fact that it really does cure Sore Throat.

25 cents and 50 cents. Hospital Size $1.00. All Druggists.

$100 REWARD $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

Swat The Fly . . .

Prepare to meet the fly half way. Don't let him get the lead on you. Screen your doors and windows. Get a **fly smacker** and kill the first ones. **Statistics show that one fly killed in May will mean one million less in August.**

The fly is a deadly enemy to mankind. He strikes you and you are defenseless. You are powerless to prevent it from infecting you with the most deadly diseases, unless you exterminate it.

Scientific men who have made a life study of the fly and its habits positively assert that **flys never migrate more than 500 yds. from their breeding place.** Therefore there is no reason why a community should not be rid of flies if everyone will do their part toward exterminating them.

We keep all the necessary equipment that you will need for the war on flies. **Window Screens, Screen Doors, Fly Smackers, Fly Traps, Wire Screen Cloth and Garbage Cans.**

200,000 Motorists Use No-Rim-Cut Tires---Sold here

Over 1,000,000 No-Rim-Cut Tires have been tested out. Some 200,000 motorists use them. 127 motor car manufacturers are using them on 1912 cars.

And now the demand for No-Rim-Cut Tires is greater than ever before.

Aren't these facts alone sufficient reason why you should use them?

Here are further reasons why we sell and recommend these tires—why you should use them.

Prevents Rim-Cutting

In the base of the No-Rim-Cut Tire are vulcanized 6 tapes of 126 braided wires. It is absolutely unstretchable. The side rings are reversed—the sharp hooked side turned away—the round side comes next the tire.

When the tire becomes deflated, there is nothing to cut.

The o-Rim-Cut Tire saves all the worry and ruin of rim-cutting.

And the tire can't come off.

No Overloading

No-Rim-Cut Tires are 10 per cent. oversize. That oversize means 10 per cent. more carrying capacity. It takes care of overloads. Prevents blowouts. Means on an average 25 per cent. more mileage.

Don't you see why we recommend No-Rim-Cut Tires? Don't You see why you should use them? We shall be glad to show you whenever you call.
