Overland

A Foreword About 1913

And a Word of Advice to the Buy r

Most of you will remember that just before the 1912 season opened, we advised the public to wait and see what we had to offer before they bought.

We promised to save them considerable money. We told them how we could. And we did. Everyone knows that we made good on this. Tens of thousands followed our advice and profit d by doing so. Our famous $900 Touring Car took the country by storm. It proved the equal of any $1200 car shown during the entire 1912 season. To date we have had to refuse thousands of orders for this model and more are still pouring in.

Our advice for 1913 is the same as it was for 1912. Wait for the Overland announcement.

We will make our 1913 announcement on August 17th. On this date the world at large will awaken to still more car for still less money.

A few week's wait cannot make much difference to you; yet it will make a big difference by saving you considerable money.

On August 17th you will get all the facts, specifications and particulars. Buy *The Saturday Evening Post* on that date. Watch the newspapers in your city.

On that date the new Overlands will be in every city in America—ready for your demonstration.

August 17th will be the red letter day of the 1913 automobile year.

Remember the date and . . . . . wait!

How to Get a Change.

When it is impossible to move a convalescent into different surroundings for the sake of a change, move the furniture and pictures of the room into different places. An invalid often tires of seeing the same pictures and ornaments in the same places week after week. Change the position of the furnishings, and it will seem almost like moving into another room.

Reptiles That Have Long Life.

Some of the sacred crocodiles of India are said to be over a hundred, and vast estimates have been made of the ages of the giant tortoises of Madagascar. Certainly there was till recently (and may be still) a tortoise in the garden of the Governor of Capetown which came there eighty years ago, and was believed to be 120 when it arrived.

To Lay Linoleum.

When laying linoleum first lay papers rather thick in the part to be covered with the linoleum. You will find that it is much warmer and at the same time saves your linoleum.

Good for Evil.

A more glorious victory cannot be gained over another man than this, that when the injury began on his part the kindness should begin on ours.—Tillotson.

We hope this great medicine will yet be sold in every drug store in Porto Rico." For throat and lung troubles there is nothing better. A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at all Druggists.
