Marriages

COOK—PETRY

Mr. Chester F. Cook and Miss Hattie I. Petry, both of this city, were married at the Salem Lutheran Parsonage Saturday evening 6.30 by Rev. W. F. Hersh.

There were no attendants.

FLOHR—RIMBEY

Miss Elsie Rimbey, daughter of Mr. and Mrs. N. M. Rimbey, of Mount Airy and Herbert Flohr, of Delaware, were married at the bride's home on Wednesday, March 19, by Rev. B. I. McGowan, of Mount Airy. The bride was attended by her sister, Miss Irene Rimbey, and Charles W. Main was best man. Mr. and Mrs. Flohr left on a wedding trip and will later take up their residence in Delaware.

GARRETT—WENTZ

Miss Cora Estella Wentz, of Lineboro, and Oscar William Garrett, of Millers, Md., were married Tuesday afternoon, March 18, at 4.30 o'clock at Sunnyside, the home of the bride, near Lineboro. The ceremony was performed by Rev. Dr. Abdiel R. Wentz, professor ob biblical literature at Gettysburg College. Miss Mary Katherine Snyder, of Alesia, was maid of honor. Spencer, L. Wentz, of Lineboro, was best man. A wedding supper was served after the ceremony. Among those present other than the bride and groom were: J. Y. Wentz, father of the bride; Mr and Mrs Nelson W. Garrett, parents of the groom; Miss Catherine Snyder. Prof Abdiel R Wentz, Spencer Ralph Wentz and Miss Mary Wentz. An elaborate reception was given the couple later in the evening.

ARNOLD—DEHOFF

Miss Myrtle DeHoff, daughter of Mr. and Mrs. George W. DeHoff, of Millers, Carroll county, Md., was married on Saturday, March 22nd, 10 A. M., at the home of her parents to Hubert Dudley Arnold, of Raleigh, N. C.

Rev. Geo. W. Strine, the bride's pastor, of Greenmount, Md., pastor of Greenmount United Brethren church, performed the ceremony using the ring ceremony.

Rev. Daugherty pastor, of Millers U. B. circuit, assisting. Miss May Kohlhepp, of Baltimore, was bride's maid and C. Earl DeHoff, a brother of the bride, was best man.

After a trip South, Mr. and Mrs. Arnold will reside at 2704 Maryland Ave., Baltimore.

Quite a number of friends and acquaintances of the bride and groom were in attendance at the wedding and wished the newly married couple a pleasant and prosperous journey through life.

BITZEL—WALKLING.

An Easter wedding of unusual interest was that of Miss Minnie L. Walkling and Mr. Clarence O. Bitzel, two of the most popular young people of Woolery's district. The ceremony was performed at the home of Mr. and Mrs. Henry F. Walkling, the bride's parents, on Sunday afternoon, by Rev. W. L. Seabrook, the pastor of the bride and groom. The bride is the only daughter of Mr. and Mrs. Henry F. Walkling and the oldest grandchild of Mr. and Mrs. Frederick Walkling, of this city; and the groom is a son of Mr. and Mrs. C. Henry Bitzel, of Smallwood. The bride's brother, Mr. Charles Walkling, was best man, and Miss Nettie Magin the maid-of-honor. The bride's wedding gown was of steel-gray Cashmere de soie, with lace yoke, and she carried a Bible, bound in white leather, a gift of the groom. The bridesmaid's gown was white and lace embroidery. She carried white carnations.

Those present at the wedding and partaking of the wedding supper were the officiating clergyman, and the bridal party, Mr. and Mrs. Henry F. Walkling, Mr. and Mrs. C. H. Bitzel, Mr. and Mrs. Theodore Bitzel, Mr and Mrs. Marion Bitzel and their children, Walter and Madeline, Mr. Philip P. Bitzel, Mr. Winnie Bitzel, Ethel and Charlie Bitzel. The grandfather and grandmother of the bride could not be present because of the illness of the former, and their absence was the only cloud over the happy event. The bride was the recipient of beautiful wedding gifts.

TEACHERS' JOINT SUMMER SCHOOL PROPOSED.

A meeting of the county superintendents and representatives of the county school boards of Frederick, Carroll Montgomery, and Washington Counties met at Frederick, on Wednesday, March 19, for the purpose of considering plans for establishing a joint summer school for the teachers of the four counties.

Mr. John S. Newman, president of the board of school commissioners of Frederick county, explained the purpose for which the meeting had been called, and stated that, at the request of a number of teachers, plans had already been formulated for establishing a three-weeks summer school for the teachers of their own county this year. Mr. Newman further stated that in considering plans for establishing their summer school the idea suggested itself that by combining several counties in the plan it would be possible to reduce the expense and at the same time secure a large and more efficient teaching force.

After some discussion in regard to the feasibility of such a plan an organization was effected, and the following officers were chosen: President, John S. Newman, of the Frederick County school board; secretary, Geo. F. Morelock, Supt. of schools of Carroll county; treasurer, Earle B. Wood, Supt. of schools, Montgomery county.

The following motions were proposed and carried:

1. That in the opinion of this organization a joint summer school for these four counties is desirable.

2 That the county superintendents of the four counties constitute a committee for the purpose of investigating conditions in their respective counties, and of devising ways and means for establishing a joint summer school.

3. That the members of the committee report to their respective boards the results of their investigations.

The meeting adjourned subject to call of the committee.

The following county superintendents and members of the several countyschool boards were present: Commissioners A. N. Nicodemus, Philip F. Lee, Wm. P. Morsel, Dr. C. L. Wachter, John S. Newman, Cyrus White, of Frederick county; Commissioner Levi D. Reid, Dr. Wm. D. Hopkins, Supt. Geo. F. Morelock, of Carroll county; Commissioners D. J. Willard, Z. M. Cook, Supt. Earle B. Wood, of Montgomery county; Commissioner H. J. Bombaugh, Supt. W. M. Huyett, of Washington county.

MILK CONDENSING PLANT FOR TANEYTOWN

Manager H. M. Stokes of the Hanover Creamery Co., was in Taneytown, last Friday, and closed the deal for the location for the new condensing and ice making plant, which they will build and operate here. The location comprises a lot bought from Samuel H. Mehring, and 40 ft. adjoining from the Reindollar Co. These lots front on the alley on the south side of Baltimore St., and are convenient to the railroad.

The buildings will be erected as soon as possible, either of brick or concrete, and will be 32x62 two stories of 12 ft. each, and 37x37 one story 16 ft., making a frontage of about 70 ft. The manufacture of condensed milk will be the main business, at the outset, but the ice-plant will be ample for all local needs, in addition to the needs of the firm itself.

This is pretty good news for Taneytown in a number of ways. The Hanover Creamery Co., is a live institution, having a considerable number of branches, and an established outlet for its products. What it wants, in Taneytown, is plenty of the one article —milk—and this it will expect our farmers to supply, to the mutual advantage of both producer and manufacturer. The manufacture of ice-cream will not be engaged in—at least not at present—as the company prefers to stick to its own specialties, but there may be future developments warranting an extension of present intentions. Mr. Stokes is confident that Taneytown will respond to the needs of the venture, and that the large investment in the plant will be fully justified in the course of a few years.

MARYLAND DAY AT WESTMINSTER HIGH SCHOOL

According to the announcement made in this paper last week, Maryland Day was celebrated at the Westminster High School with appropriate exercises, Tuesday afternoon, March 25. In each of the primary grades, part of the morning session was devoted by the teacher in charge to exercises in honor of the day, suitable to the comprehension of the smaller children, who were then given a half-holiday. The pupils of the Grammar and High School grades gathered in the Assembly Hall at two o'clock in the afternoon. After a program consisting of music and recitations by the pupils of the school, an address was made by Dr. Edward F. Buchner, of the Johns Hopkins University, Baltimore. Dr. Buchner used as the basis of his address the topic which had been selected by the State Superintendent of Schools: The Ancient City of Annapolis and How it Came to be the Capital of Maryland. Dr. Buchner's address was a very able, interesting and instructive discussion of the subject. A pleasant feature of the occasion was the presentation, by the principal, of a picture to the room making the best average attendance on Maryland Day. The picture given this year was a very fine colored portrait of the Emperor Napoleon I. The picture was won by the Eighth grade room, in charge of Miss Ida F. Lockard, which had an average attendance of ninety-four per cent. The exercises were in charge of the principal of the school, Mr. Charles H. Kolb. The program was as follows:

Song, Maryland, My Maryland; Reading, The Ark and the Dove, Folger McKinsey, Ruth Gist; Reading, Annapolis, Bishop Pinkney, Marie Stoner; Reading, A Rose of the Old Regime, Folger McKinsey, Nellie Royer; Song, America; Reading, Death or Liberty, L. M. Passano, John Schweigart; Reading, The Old Senate Chamber, Folger McKinsey, Margie Armacost; Reading, A Fightin' with Cole, Harry J. Shellman, Fred Smith; Reading, Fair Maryland, Esmeralda Boyle, Katherine Jones; Reading, The Maryland Line, T. C. Harbaugh, Scott Bair; Drill, Baltimore Orioles, Fifth Grade Girls; Address, Dr. Buchner; Song, Star-Spangled Banner.

WRECK ON WESTERN MARYLAND

On Friday evening last about 8.15 o'clock as engine No. 706, drawing ten "pick-up" freight cars, was running eastward at a fair rate of speed, without warning the locomotive suddenly turned on its side to the left. The tender and one freight car also turned turtle, and the other cars buckled in behind them, tearing up the track for some distance. The accident occurred just in "The Narrows," a few yards from a bridge over the falls, about two hundred yards west of Patapsco station. William V. Binkley, engineman, H. E. Taylor, fireman, and R. J. Palmer, grade learner, were in the cab. The accident came so suddenly that none had time to jump. It is said that Engineman Binkley instinctively turned off the steam as they went over. Binkley and Palmer escaped by the ventilator opening in the top of the cab. Taylor, however, was pinioned in some way and was badly scalded. Binkley's leg was cut, and Palmer got off with slight bruises. Conductor George W. Roach and others of the crew, riding in the caboose, were shaken up, but uninjured, and went at once to the relief of Fireman Taylor. Residents of Patapsco hurried to the spot and everything possible was done to make the injured men comfortable, until the arrival of Dr. L. K. Woodward, of this city, who hurried down in his automobile. The injured men were taken to the Union Protestant Infirmary, Baltimore.

The Pittsburgh flier was sent westward via Gettysburg and Highfield. Passengers for points west on the main line were dropped at Glyndon, and it was nearly midnight before an engine and caboose came to take them to the wreck, round which they walked to the train that had been sent down from Union Bridge to meet them. About twenty passengers had to be transferred, among them ten from this city, including several ladies.

Wrecking crews from Hagerstown and Baltimore did not reach the scene until after midnight and the track was not clear for traffic until late Saturday.

PARCEL POCT STAMPS

New Design to Be Used to Overcome Objections.

A design for a new postage stamp was adopted Saturday, March 22, by Postmaster General Burleson to take the place of the special series of distinctive stamps now used for parcel post matter. The new design is the same size as the ordinary stamp now in use and wil contain a large numeral stating the denomination but the various denominations are to be printed in different colors. This change has been found advisable because of numerous complaints from the public and postmasters against the design now in use. The denominations of the present series are not readily distinguished because they are printed in the same shade of red. Another important objection has been that the value of the parcel post stamps can be easily raised because they are all of the same color and the small numerals from cancelled parcel post stamps of higher value have been cut from the more valuable stamps and pasted upon the stamps of lower value in such a way as to be difficult of detection. The new stamps will not be ready for three months.

MEETING OF THE MEN'S CLUB

The Men's Club of Ascension Protestant Episcopal Church of this city held an interesting meeting on Wednesday night, at the Parish House. Notwithstanding the inclement weather there was a large attendance of members and invited guests. Rev. J. Hilton Orrick, the rector, made a short address of greeting, after which Mr. Robert Billingslea, president of the club took charge of the meeting and introduced Mr. Joseph Packard, a prominent layman of Emanuel Church, Baltimore, as the speaker of the evening. Mr. Packard was one of the three laymen, members of the committee composed of three bishops, three clergymen and three laymen, to whom was committed the trust of having printed the Standard Book of Common Prayer of 1892, now used in all Episcopal churches in this country. Mr. Packard gave a very interesting review of the history of the Book of Common Prayer from that of Edward VI, to that now in use in the United States, with special details of the story of the making of the present book. Upon motion of Judge William H. Thomas, seconded by Judge James A. C. Bond, a vote of thanks was given to Mr. Packard for his address. A social hour, with sandwiches, coffee and cigars, was much enjoyed. Some of the young men sang a number of songs.
