December Term 1863

point Marked B on the plat the site of said tract is assumed to be at the point Marked N I have also assumed the small Branch mentioned in said Certificate of Resurvey as the Cat which the N 39 E pts line to the Corner to the same as the Natural Corners mentioned in Surveyor Jules Certificate I have laid down the lines designated in said second instructions thus, from the point Marked N to I from G. to M from M to P on the North West Branch of Patapsco River;

In compliance with the third instruction I have assumed the point marked O to occupy relatively the same position to the island as the point on the plat accompanying the Certificate of Resurvey dated March 29 1923 marked with a figure apparently intended to represent a tree Cove to the island there bounds

In compliance with the fourth instruction I have bounded Nelson Court from Jerry Pond around thro this line is shown by a dark irregular line shaded blue to the Mouth of a small gut marked G assumed the second instruction to be the Natural Corners.

In compliance with 5 instruction I have assumed the letter P on the Map of a tract of land called David's Fancy and part of a tract of land called Nelson Court dated March 18. 1789 signed Ger Jones Westbury late Surveyor 13 County as the same point Marked on the Map prepared by me G the Mouth of a small gut and from said point I have located a line Cost 65 pts to a point Marked N the line from G to M is shown on the Map signed Ger Jones Westbury March 18. 1789. by the letters S to O Lots No 471, 472. and 496 have been laid down in accordance with said plat.

In compliance with 6 instruction I have located the road from Richard Moale to Stenger Mackie dated January 19 1744 for Lots No 471 and 472 and in locating the road returned the road to the Water of the Middle Branch and I herewith return the said instructions of the Caveator and the respective papers and plats referred to in the explanations and returns.

Respectfully Submitted

Gilbert H Bryson

Surveyor Balto City January

John S Gittings William Dawson Jr et al vs Randolph H Moale

In the Land Office of Maryland explanations and Certificate to accompany plat

I Gilbert H Bryson City Surveyor of the City of Baltimore duly Commissioned and sworn do hereby certify to your Honor the following explanations to accompany the plat and Certificate herewith returned to Wit bound a Justice of the peace of the State of Maryland the said Witnesses to Wit Thos Mills and Alexander Smith by Counsel of the Attorneys for Caveator and Caveatee proved out to me the the Places Properties Marks where to mentioned with the depositions of said Witnesses,

In compliance with the verbal instructions of the Caveator I Caveatee the aforesaid Witness Wm Moale proved out to me for locating the Lots held by him and his Brother John S Moale from Randolph H Moale

of Resurvey to said Moale and prior to any Surveys thereunder, 30 Because the proof in the cause shows that said Moale was not
