"The Best Possible Newspaper"

What sort of a paper is it? In the first place, it must be a Home Paper—the Woman's Friend and a part of her daily life. And it must be a NECESSITY to the Business Man. It must not only tell what is happening in the world, but it must go farther and tell WHY it is happening and **what it means.**

The Best Possible Newspaper has a staff of correspondents covering the world field of the Associated and United Press, scouring the earth for vital human facts. It has fashion and art, books and music, literature and politics at its right hand. It has the markets for the farmer, the merchant, the broker.

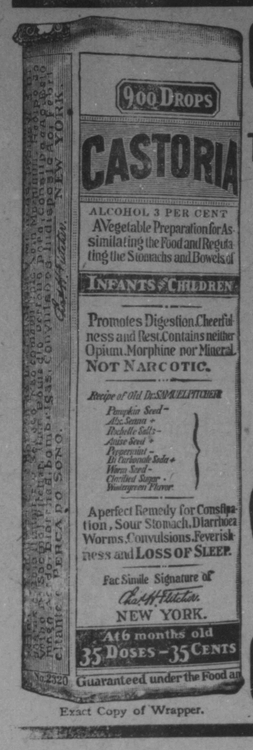

The world has never seen an age of greater constructive significance in politics, in science, in society. Every move in the field of action is a topic for discussion in cities, villages, hamlets, at cross-roads. And the Best Possible Newspaper must equip its readers for intelligent understanding of all these things.

That is precisely why it is the simple truth that for your purposes, and for the purpose of the whole South, the BEST POSSIBLE NEWSPAPER is

FIRE AND STORM INSURANCE

Consult me before insuring your properties as I am certain I can save you some money.

I am writing insurance every day, both Fire and Storm, and nothing is beneath my notice, as I take large and small, and both receive my best attention.

Fires take place when least expected and it is mighty comforting to know that you are being taken care of by a first class company. Examine your policies before they expire and let me renew them for you. Prices are low compared with the protection given.

RELATING TO A WATER AND ELECTRIC LIGHT AND POWER PLANT IN MOUNT AIRY.

CHAPTER NO. 521.

AN ACT to authorize the Mayor and Council of Mount Airy, in Carroll and Frederick Counties, to erect and operate a Water and Electric Light and Power plant in the Town of Mt. Airy, for supplying water for fire protection and municipal and private purposes and for lighting the public streets, lanes and alleys and public buildings of said Town of Mount Airy and furnishing light, power and heat to the citizens of said town, and to issue bonds for the purpose of paying for such water and electric light and power plant and reservoir mains, poles, wires and appurtenances connected therewith.

Sec. 1. Be it enacted by the General Assembly of Maryland, That the Mayor and Council of Mount Airy are hereby authorized and empowered to construct, erect, own and operate a Water and Electric Light and Power plant in the said Town of Mount Airy for the purpose of storing and supplying water for fire protection and municipal and private purposes and for lighting the public streets, lanes, alleys and public and private buildings of said Town of Mount Airy, and for that purpose are hereby authorized and empowered to issue bonds in the name of said municipal corporation to an amount not exceeding twenty thousand dollars, in denominations of one hundred dollars, five hundred dollars and one thousand dollars each, as said Mayor and Council of Mount Airy shall determine, and each of said bonds shall be payable twenty years after date to bearer, redeemable, however, at the pleasure of said Mayor and Council of Mount Airy at any time after the expiration of five years from their respective dates, and shall bear interest in the meantime at the rate of five per centum per annum, payable semi-annually, according to the tenor of the coupons for said interest to be attached to said bonds, which said bonds shall be sealed with the corporate seal of said municipal corporation, and, together with said coupons shall be signed by the Mayor and countersigned by the clerk or register of said town; provided, however, that said bonds shall not be sold for less than par or the face value thereof in cash current money.

Sec. 2. And be it enacted, That the proceeds of the sale of the bonds hereby authorized to be issued shall be applied to the purchase of the necessary ground and the erection thereon of a Water and Electric Light and Power Plant and its complete equipment and maintenance, for storing and supplying water for fire protection and municipal and private purposes and for lighting the public streets, lanes, alleys and public buildings of said town of Mount Airy and furnishing water, light, power and heat to the citizens of said town, but nothing in this Act shall be construed as authorizing said Mayor and Council of Mount Airy to furnish water, light, heat or power for private uses unless it can be done at a reasonable profit.

Sec. 3. And be it enacted, That the said Mayor and Council of Mount Airy shall have power and authority, and are hereby required to levy all necessary taxes upon the property within the taxable limits of said corporation, for the payment of the interest on the bonds hereby authorized to be issued, as well as for the payment of the said bonds at maturity, and shall create a sinking fund for that purpose and levy the necessary taxes therefor.

Sec. 4. And be it enacted, That before this Act shall become operative to authorize the said Mayor and Council of Mount Airy to issue said bonds, the question shall be submitted to the qualified voters of Mt. Airy at the regular general election to be held in May, 1914, for approval or rejection by such qualified voters and in pursuance of the provisions of an ordinance to be passed therefor, of which election and the fact that the question is to be submitted to the voters notice shall be given for at least ten days previous to such election, posted in five or more public places in said town, explaining to the qualified voters the question to be submitted, at which election the qualified voters of Mount Airy shall determine by ballot whether the bonds hereinbefore provided for shall be issued or not, and at which election there shall be written or printed on the ballots of said voters the words "For Issue of Bonds," or "Against Issue of Bonds," and if a majority of the ballots cast shall contain the words "For Issue of Bonds," then this Act shall become operative and binding, but if a majority of said ballots shall contain the words "Against Issue of Bonds," then this Act shall be void and of no effect; and the judges of said municipal election, or a majority of them, shall return to the Mayor of said town the number of ballots cast "For Issue of Bonds" and "Against Issue of Bonds," respectively, and the said Mayor shall announce the result thereof.

And be it enacted, That if for any reason the question of the issue of bonds as hereinbefore provided, shall not be submitted to the qualified voters at the regular general election to be held in May, 1914, then it shall be lawful, and the said The Mayor and Council of Mount Airy are hereby authorized to cause a special election to be held in Mount Airy, at such time and place as may be fixed by an ordinance for that purpose, and shall appoint three judges of election, who shall conduct the same in the manner prescribed by said ordinance, after giving at least ten days' previous notice thereof posted in five or more public places in said town, at which said special election the qualified voters of Mount Airy shall determine by ballot whether the bonds hereinbefore provided for shall be issued or not, and at which said election there shall be written or printed on the ballots of said voters the words "For Issue of Bonds" or "Against Issue of Bonds," and if a majority of said ballots shall contain the words "For Issue of Bonds," then this Act shall become operative, and binding, but if a majority of said ballots shall contain the words "Against Issue of Bonds," then this Act shall be void and of no effect, and the judges of said special election, or a majority of them, shall return to the Mayor of said town the number of ballots cast "For Issue of Bonds" and "Against Issue of Bonds," respectively, and the said Mayor shall announce the result thereof.

Sec. 6. And be it enacted, That this Act shall take effect from the date of its passage.

Approved April 10, 1914.
