MANCHESTER

Death not only visited the home of Mr. Michael Wilhelm last week and removed him from the labors and toils of life, but at the same time his helpmate, who for six years was an invalid from paralysis, on the eve of the funeral suffered another stroke and lay unconscious to the things of time, but lingered until Tuesday evening, when she too passed away, leaving two sons and two daughters to mourn their loss.

Mrs. Rosa Shower died at the home of her parents, Mr. and Mrs. Frank Berwager, near Seitzland, Pa., from tuberculosis. Six months ago her condition became such that she could not attend to her domestic affairs in her home and was taken to the home of her parents where she gradually grew worse until Sunday evening when she passed peacefully away, aged 21 years. Funeral services were held on Wednesday at Fissel's church and she was laid to rest in the adjoining cemetery.

Miss Mae Musselman entertained a company of friends at her home on Oak Tree avenue on Saturday evening last in honor of her guest, Miss Anna Lawreson, of York, Pa. She had the home in full preparation to give her friends a pleasant evening. As we announced in our last all roads led to Manchester on Monday and were used for autos and other vehicles in bringing the crowds to town to enjoy the annual festive occasion, and from a present viewpoint everybody brought a good supply of cheer and good humor, for there was nothing that claimed the attention of the officers in the jostling crowds. The fakers were early on the ground displaying their goods. The Alesia Band kept matters lively in the morning and were joined in the afternoon with the Carroll County Reed Band, so that there was no dearth of music. The Zepp brothers accommodated the young folks on their merry-go-round, while the hotels and ice cream men filled their tills. Upon the whole it was quite a success. At 6.30 the bands headed the firemen in a procession to the cemetery where the graves of the deceased members were decorated. Not until after the midnight hourdid the last of the moving crowds take their leave.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
