Exhibit Mosher is hereafter and is admitted by Defendant Solicitor as Evidence as duly authenticated.

Luther M Reynolds a Witness of lawful age produced sworn and examined on the part and behalf of the Complainant deposes and says I was present in the Court of Common Pleas at the trial of the Allegations of John C S Mosher against James Jeffers about the time the trial was begun or about to begin Mr Carson the Counsel for Complainant was not prepared to proceed for the reason as he informed Mr Cowan the Counsel for Mr Jeffers that the Witness by whom he expected to prove that Moshers claim was older than Jeffords deed was not then present in Court, had not yet come in.

Mr Carson and Mr Cowan then had a talk when Carson compared a paper which I took to be Dr Moshers bill with Jeffers Schedule of Creditors contained in his application in Insolvency. I recollect that the amount in the Schedule and the amount in the bill agreed Messers Cowan and Carson then agreed to go on and try the case as though the antiquity of Dr Moshers claim had been established over the deed of James Jeffers to Thomas Jeffers.

Margaret Downs, a Witness of lawful age produced sworn and Examined on the part and behalf of the Complainants deposes and says as follows, I know James Jeffers by sight I knew Dr Mosher I have known Dr Mosher for many years. I have been at Mr Jeffords house on Fagette Street between Eden and Caroline Streets where he now lives and where he has always lived since I have known him.

I met Dr Mosher at Mr Jeffords house since he was attending Mrs Jeffers who was then very sick, I cannot fix the time when I saw him there, I recollect at that time I

lived on McElderry Street, I moved from McElderry Street in August 1858 to Baltimore Street where I have ever since resided. When I saw Dr Mosher at Mr Jeffords house it was previous to my moving from McElderry Street but I cannot say how long or short a time it was, it might have been two years before I moved or not I cannot say. On one of the two days that I met Dr Mosher at Mrs Jeffords I also met Dr Bradford (who resides on Asquith Street) then I think Dr Bradford was called in after Dr Mosher to look after the case I have heard from Mrs Jeffers and the family that Dr Mosher had attended in the family. Mrs Jeffords brother this was previous to the time of Mrs Jeffords sickness of which I have spoken. The first time that I saw Dr Mosher at Mr Jeffords was on a Saturday Evening Mrs Jeffers was very ill and was not expected to live through the night.
