DEAFNESS CANNOT BE CURED
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

FALLS BOTTOM

The first blast of winter arrived here Monday night. From the appearance of the northwest wind our weather prophet says that the snow is not farther off than the Blue Ridge mountains. Help The Kidneys

Westminster Readers are Learning The Way.

It's the little kidney ills—
The lame, weak or aching back—
The unnoticed urinary disorders—
That may lead to dropsy and Bright's disease.

When the kidneys are weak,
Help them with Doan's Kidney Pills,

A remedy especially for weak kidneys.

Doan's have been used in kidney troubles for 50 years.

Endorsed by 30,000 people—endorsed at home.

Proof in a Westminster citizen's statement.

J. F. Stem, Westminster, Md., says: "For some time my kidneys were disordered. The kidney secretions were irregular in passage, causing annoyance and I also suffered from backache. Doan's Kidney Pills, procured at Moore's Drug Store, soon made me well. I gave a statement at that time publicly recommending this remedy and I now confirm all I then said."

Mr. Stem is only one of many Westminster people who have gratefully endorsed Doan's Kidney Pills. If your back aches—If your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Stem had—the remedy backed by home testimony. 50c all stores. Mr. Taft called at the White House the other day, and so far as known did not ask to be appointed to any office.

It seems too bad that so much money is wasted on the army, when so many of our rivers are not navigable to canoeists.

The armies don't seem to be doing much along the battle line, but an aviator occasionally arouses enthusiasm by dropping a bomb on some women and children.

A correspondent has inquired what has become of the man who used to attend all the rallies of his party, sit on the front seat, and cheer vigorously. Well, a few weeks ago, he was buying three newspapers daily to find out about the world's series ball games, and just now he is sitting up nights to read up on football.
