Filed 16 Mar 1857

To the Honorable William George Krebs Judge of the Circuit Court for Baltimore City.

The amended and supplemental bill of Complaint of William Woodville William Woodville Jr and Mudalton Woodville partners trading as William Woodville & Sons Samuel H Harris partners trading as Samuel Harris & Sons William McKim Charles Hinkley and Hollins McKim partners trading as McKim and Company Jonsend Scott and Rossiter Scott partners trading as Jonsend Scott & Son William J Dalrymple James H Carter and Gerard Gever partners trading as Josiah Lee & Company Thomas H Hall William Key Howard William Gilmor Hoffman and Lloyd N Rogers respectfully sheweth.

That heretofore to wit on the 10th day of March in the year 1857 your Orators exhibited their original Bill of Complaint in this Honorable Court against Levi Easton Seth Reed and William Burgess of Baltimore City J Dixon Roman of Washington County in the State of Maryland and Hezekiah Easton of Franklin County in the State of Pennsylvania as the defendants thereto, thereby stating such several matters and things as are therein more particularly mentioned and set forth the allegations of which said bill your Orators pray may be taken as part hereof.

And your Orators further shew by way of amendment and supplement to their said original bill, that since the filing of the said bill they have been advised that the property mentioned and referred to in said bill lying in Washington County in this State and known and designed as the Antietam Iron Works and embraced in the second Mortgage from Levi Easton to Hezekiah Easton to which said Mortgage security and the rights of the said Hezekiah Easton under the same, your Orators by their said bill claim to be substituted has been conveyed or attempted to be conveyed by deed from the said Levi Easton and Hezekiah Easton bearing date the 5th day of October in the year 1856 and recorded among the Land Records of Washington County to a certain John Horine of said County for an alleged consideration of Twenty thousand dollars, as by a Copy of said deed when the same shall be produced and exhibited to your Honor will more fully and at large appear.

Now your Orators are informed and verily believe that the said Horine is not a bona fide purchaser for value of the said property and that if there was any consideration for the said Conveyance the same was made for and in consideration of a pre existing indebtedness of the said Levi Easton to the said Horine or for some other inequitable and insufficient cause or consideration and your Orators are advised that they are entitled to be substituted to the security upon said property held by the said Hezekiah Easton by virtue of his second Mortgage as aforesaid, as fully and effectually, as though no such conveyance to the said Horine had been made or attempted to be made.

And your Orators further shew by way of further amendment and supplement to their said original bill, that since the filing of said bill they have learned that certain other property mentioned and referred to in said bill situate and lying in Washington Street in the town of Hagerstown in Washington County in this State and embraced in said second Mortgage from Levi Easton to Hezekiah Easton and in the deed of trust from the said Levi and Hezekiah Easton to J Dixon Roman mentioned in said bill has been attempted to be sold to a certain Joseph Newcomer of Hagerstown for the sum of Thirty five hundred dollars and that said attempted purchase by the said Newcomer is understood and believed to have been made for and in behalf of the Hagerstown Savings Bank in whose occupancy said property now is and that the purchase money therefor has been paid and no deed for said property yet given and your Orators claiming as before to be substituted to all the rights and security held by the said Hezekiah Easton in said property by virtue of his said second Mortgage pray that the said Newcomer and the said Hagerstown Savings Bank may be restrained from paying over to the said Roman or to any other person or persons any money which may be due or payable on account of the said attempted purchase of said property, until the right
