vs
Reed Easton J Dixon Roman and others

The above petition was heard by the solicitors respectively of the Complainants and the Trustee Roman and the same has been duly considered by the Court under the circumstances of the case and looking particularly to the very large sum of money which for a long time past has been lying idle the Court feels itself called upon to require that the same shall be invested so as to yield not less than the legal rate of interest As a preliminary to said investment the Court would desire that the parties Complainants according to general usage with reference to such matters should inform the Court as to the manner in which they would prefer that said sum of money should be invested, upon such information being communicated to the Court an Order will be passed accordingly requiring the money to be so invested

Whereas heretofore a petition has been filed in this cause on behalf of the Complainants asking that J Devon Roman Trustee in this cause be required to bring certain money into Court to be invested under the direction of the Court and said petition having been considered the Court delivered an Opinion therein asserting the propriety under the circumstances as were made apparent that the same should be invested, but desired that the Complainants should inform the Court as to how they would have the same invested and Whereas the said Complainants have indicated a preference that the same should be invested in Baltimore City Stock. It is therefore by the Court this 30 day of June 1860 Ordered and decreed that J Devon Roman the trustee in the above entitled cause invest in his own name as trustee the amount of twenty six thousand eight hundred and seventy three dollars and thirty seven cents (being the proceeds of sales reported

in this cause exclusive of Commissions and expenses, the right of the Trustee to claim said Commissions being reserved for further Order of this Court in Baltimore City 6% Stock having first retained such sum as may be sufficient to pay the costs of this proceeding and any other costs incurred by him in making said investment and that the said stock and such interest as may from time to time accrue thereon be held subject to the further order of this Court and it is further ordered that it shall be expressly stated on the face of the transfer of said investment to the said Trustee as aforesaid that the said stock shall not be transferrable or assignable by the said Trustee or by any other person without an order of this Court authorizing said transfer or assignment.
And it is further Ordered that the said Trustee shall bring into this Court the certificate of any stock which he may purchase in pursuance of said as directed by the Order, and deposit the same with the Clerk for safe keeping subject to the control of this Court and said Clerk is hereby directed to give a receipt to said Trustee for the same the deposite of said certificate of stock into Court said Trustee as heretofore ordered not to preclude him from the right to receive the interest or dividends on the same and shall from time to time accrue without any further order of this Court.

Circuit Court for Balto City
To the Honorable William George Krebs Judge of the Circuit Court for Baltimore City

The petition of the Complainant respectfully shows that previously in this cause on or about the 30 of June last past upon the petition of said Complainant an Order was passed by this Honorable Court requiring J Dixon Roman Trustee in this cause to invest certain money in Baltimore City 6% stock and to bring the certificate of any such stock which he might purchase in pursuance of said Order into the Court and deposit the same with the Clerk thereof for safe keeping that notwithstanding the passage of said Order and the service of a copy thereof upon said Roman or his Solicitor the said Roman declines to obey said Order announcing his intention to appeal from the same.
