Leiman professed to sign as agent?
Ans: No sir. I never looked - I know you mean Schaferman I know by hearing so that he was agent for Schaferman but I did not see his name upon the books.
7th x Intg: Being now shown several Receipt Books you are asked to say in whose handwriting the receipts are and the signatures thereto?
Ans: The receipts are very many of them in my hand writing and some of them in Leiman's and the signatures thereto of C. Leiman Agent are in Leiman's hand writing. (a specimen Book is identified by the signature of the Commissioner of this date to be used by consent at the hearing: the handwriting and signatures in which the witness identifies as that of Leimans)
8th x Intg: When you were examined before why did you not mention before that you held your lease under Schaferman and that you had got him to sign receipts for money which you had paid as rent to Leiman?
Ans: I was not asked for it either generally or particularly as I know.
9th x Intg: Do you know if Schaferman can read or write English?
Ans: I think not.

3rd add. Intg: To whom did you pay the money for which you gave the receipts?

John Ellinger being now cross examined for the Defendants deposes and says to the cross Interrogatories propounded to him as follows:
1st x Intg: Do you know Mrs Schaferman and how long have you

known her?
Ans: I have known her for four years.
2nd x Intg: Do you remember when it was that you went to Schaferman's house on the occasion specified in your answer to the 12th Interrogatory Do you remember exactly what you said to her? Do you remember exactly what she said in reply? Is she hard of hearing?
Ans: I can't answer now when it was - it is too long since - I don't remember now exactly what I said to her - what she said at that time will appear by my testimony heretofore given - she is not hard of hearing - If I should see her now I would not be able to recognize her. I asked for Mr Schaferman when I called there and the woman whom I took to be Mrs Schaferman said her husband was not at home - I know that Schaferman lived there.
3rd Do you remember exactly what Schaferman said to you on the occasion referred to and what you said to him? Did he say that he had nothing to do with the property or did you infer it from his saying that he had nothing to do with the Building Society?
Ans: I don't remember any longer - it has been too long - What I have heretofore said in my testimony is true - He told me he had nothing to do with the property or with the Building Society either - my business there was about the Building Society. He said he had nothing to do with the settlement of the Building Society and had nothing to do with the property and that he only held it under a Deed. The property was mortgaged to the Society by Schaferman.
4th Intg: Did Leiman pay the dues on said property and if so in what manner?
Ans: It was written in the Book at the time the Mortgage was made that Leiman had the privelege of drawing from the society in Schafermans name (Excepted to by Defendants solicitor as not being responsive to the question and because the Book referred to is not produced) Leiman paid the dues every week and always paid them in Schafermans name
5th x Intg: When you went to leave notice for dues and had the conversation referred to did not Schaferman in that conversation tell you that Leiman was agent for attending to the property?
Ans: He did not say anything about agent at all - Schaferman speaks the German language

William Spicer being now cross examined for the Defendant deposes and says to the cross Interrogatories propounded to him as follows:
