MEDFORD BARGAIN STORE

Medford, Maryland

Never Skimped

While it might be possible for us to make a bigger profit in the selling of Merchandise by skimping here and there, we have never resorted to this kind of dealing because we figure our customers should have full high quality goods just every bit as good as could be bought elsewhere and when possible we give them a little better. In addition to all this high value we make it a hard and set rule to name a lower price than you would pay elsewhere.

Granulated Sugar	5¾c lb.	9 Papers Garden Seed for	25c	Rubber Soled Slippers	43c pair
