John A. Brown. A witness produced on the part of the Complainant aged about thirty five years and residing in the City of Philadelphia being duly sworn saith.

Paper marked (B) shown to witness.

I received this note as part of the purchase of the house on Eleventh Street below Thompson from Robert M. Chatterton, whom I always knew as Daniel, and I passed the note to Williams & Ellis for lumber I owed them. I think there was a conditional Bond given as Collateral security and I think it was entered up. I am not certain whether or no it was transferred to Williams & Ellis.

Paper marked (C) shown to witness

This order was shown to me by Robert M. Chatterton and I rather think I took it in my hand. He asked me whether I wouldnt rather have Beck & Hartenstens due bill. I took Beck & Hartenstens due bill instead of the order, at Robert M. Chattertons suggestion I took the due bill

Cornelius Hall, A witness produced on the part of the Complainant aged about forty years, residing in the City of Philadelphia being duly sworn, says. I purchased goods of Mr Robert Chatterton as Daniel

April Term 1868

Chatterton at No 35 north Second Street, I suppose some might be four five or six hundred dollars worth. I dont think quite so much at 35 north 2nd Street, the others at 211 north 2nd Street where he was before I gave him notes for all that was due him at the time of our settlement. I dont know what disposal was made of the notes when they came to me I paid them. I think Williams & Ellis endorsement was on some of them when they came to me. I furnished goods to No 207 Nth 2nd St. Cant form an idea of the amount. Never bought any there, paid due bills besides notes, those goods I furnished at 207 Nth 2nd Street. my books will show the goods furnished No 207 Nth 2nd Street, were furnished to that Store. The goods furnished at 207 Nth 2nd Street were for a balance paid and due to that Store. I owed it to whoever kept that Store.

Being Cross Examined by Mr Auvenal for Defendant, he says The name on the Store No. 207 Nth 2nd Street was John or J. Chatterton. I charged the goods sold to that Store to J. Chatterton. The goods I purchased at No 35 were purchased from Daniel Chatterton (pointing to Robt M. Chatterton) This was not at an auction or Sheriffs Sale. There was a balance due on all my purchases I think a due bill was given to the parties No 207 Nth 2nd Street. I didnt enquire particularly who the parties were. (Papers marked D. E. F. and G shown to witness) These are the notes referred to in my Examination in Chief. I think there is another note for about one hundred and nineteen dollars which is the one I referred to as having the Williams & Ellis endorsement I purchased the goods at 211 Nth 2nd St. of Daniel
