April Term 1868

the kind of latches in the house all the windows and doors were so loose, there was parts of the plaster down in the room and that the Dobsons had just lived in that way with them, that is all I can recollect about it.

Q. Did you make any memorandum of that conversation at the time

A. No Sir

Q. Is there any other conversation that ever passed between yourself and the Pltff in which the word Dobson was used

A. Not that I recollect

Q. Have there not been prior to your Examination here repeated conversations between yourself and Defendant in which the word Dobson has been used

A. No Sir.

Q. Has there ever been any conversation prior to your Examination here between yourself and defendant in which the word Dobson has been

A. Only the morning of receiving the deed

Q. State what on that occasion was said and by whom with reference to Dobson

A. I said the name was Dobson that is an English name Mr John Chatterton said Yes.

Q. Did you state in either your first or second version of the conversation you allege to have taken place at the time you received the paper and box of Jewelry that any such remarks were made as you now state

A. I dont recollect of saying

Q. Why did you not tell all these things before.

A. I was not asked

Q. Were you not on two occasions on this Cross-

April Term 1868

Examination and on occasion of the direct Examination asked to relate that whole conversation.

Ans On the Cross Examination I have. I do not recollect on the Direct of having

Q. How were you asked to state this as well as the rest and did you not say you had stated all of the conversation you could recollect.

A. Yes Sir

Q. Will you state what else you read beside Dobson on this paper its date or any other particular you can remember.

A. I dont remember the date I noticed Baltimore County I think the word Baltimore was printed and the word deed was printed.

Q. was the word Baltimore printed on the inside or outside of the deed

A. It was on the inside I believe

Q. How often

A. I remember it only once

Q. was it in Capital or small letters.

A. It was a Capital B, the other letters of the word Baltimore were small this as as near as I can recollect

Q. was the word Baltimore at the head of the Deed

A. It was up in the top part of the deed

Q. was it at the very head or some lines down

A. Well I think it was a few lines down two or three or four.

Q. was any portion of the inscription on the back of the deed printed

A. I think it was I think the word deed on the outside was printed

Q. Except Dobson and Deed and Baltimore do
