April Term 1868

the other mans name was Isaac, I have not seen any of the people about there for two years both of the ladies were called Jane, I only know their first name I remember the number of machines sold each week, because I was paid by the peice I merely marked the number of machines made on a peice of Slate I had up stairs I kept no books I dont know when I first saw Mr John Chatterton at the office, I dont know how long it was after I first went to work there, I cannot remember how long after Mr Chatterton told me it was his brother. There was only one conversation that we in May which I recollect. I believe that no one else was in the room at the time of this conversation, no one I know of I cannot say whether it was in the forepart or after part of May. These other visits I dont know whether they were before the conversation, or after

Question by Mr Juvenal, Give me in your own words as exactly as you can recollect what was then said by John and Robert Chatterton

Answer by Witness. I dont recollect any thing but what I have stated, I do not recollect what thing they were talking about, I do not recollect distinctly any thing that either of them said but what what I have stated. They were in when I came down stairs. I knew nothing about the farm at that time I cannot tell what Robert said or what John said any thing more than I have told before about Mrs Chattertons interest in the farm. I can give no words in any conversation between them except what I have said before

April Term 1868

Question by Mr Juvenal, what was said by John and what was said by Robert.

Answer. John said that Mrs Chattertons Interest in the farm was the 11th St house & the house in Cass Street. Those were his words, I did not hear any answer made by Robert, while I was there; I did not hear one word of the conversation except that sentence. I was engaged at looking at a Machine at the time I heard this, I cant say positively what I was doing to the machine; I think was looking at the Cooper I dont know how far they were, how we exactly, about three or four feet the machine stood in the middle of the room I dont remember the day of the month, nor the month, nor what time of the day I had no knowledge about the house in 11th st or Cass St at that time. Mr Chatterton did not say what was the matter with him, just said he felt very bad. This conversation occurred in the Summer, it was very warm we had to keep the windows open. These two ladies were not there at the time. I was engaged looking at the machine no more time than to hear those words of Mr Chatterton I was not sent for to look at a machine. Prior to this I was up stairs just came down & went up right after looking at the Cooper. I was there no longer time than to hear him say those two words. Putting the Cooper on was part of my work, putting the machine together. I bought the nails spoken of in the latter part of May 1860. I bought them on a order to buy those things for Mr Chatterton or an order which he had, I dont remember the
