ADDITIONAL LOCALS

It is reported that two of our Westminster negroes are languishing in the Towson, Baltimore county, jail for appropriating a case of red liquor from a hotel in Reisterstown.

At an official meeting held Saturday in Junior Hall, Gamber, the name Statewood was officially adopted by the committee as the new name for the village. Quite a number of people admire the name Statewood, and think it a very pretty and appropriatename for the village of Mchanicsville, often called Gamber, and at one time Pleasantville, as a part of it was called, a number of years ago, hence the three names, Mechanicsville, Pleasantville, Gamber will hereafter be elminated and the name of Statewood will be the only name used for the village.

The case of Mr. E. Frank Ely, one of the Republican candidates for the House of Delegates from this county, against the Springfield Hospital, which has been on trial in the Circ Court for Howard County for several days, before a jury, came to an abrupt end yesterday, when the case was taken from the jury by judge Brashears. In suing the Hospital the courts hold that the proceeding is a suit against the State and cannot be maintained by a citizen. The ground of Mr. Ely's suit is that his property has been greatly damaged by sewage from the hospital, that his business as a dairy farmer has been ruined and he has been subjected to great financial loss and inconvenience as a consequence. His only recourse now must be to the legislature, which should appropriate a sufficient sum to reimburse him for his losses.

The Western Maryland Railway Company has received bids for 1,000 steel hopper cars, and it is expected that the contract will be awarded early next week. The additional cars are made necessary by the rapidly increasing coal tonnage which the company is now moving. Specifications call for a 70-ton car, which is one of the largest in use on any railroads in the East. The cars will be 37 feet long and approximately 9 1|2 feet wide. The Western Maryland has placed a contract for 2,000 tons of steel rails for October delivery. The order was divided between the Carnegie and the Bethlehem Steel Companies. There has been some shortage of coal car equipment in this section in the recent past and the Western Maryland and the Baltimore and Ohio are both seeking to avoid any serious consequence from such a condition.

BOY CUT IN TWO BY ENCINE

John, 10-year-old son of C. Edward Stouffer, Western Maryland Railway night telegraph operator at Edgemont, was run over and killed Saturday near Edgemont by a locomotive which he attempted to board. The boy had been riding the engine and attempted to grab the hand catch on the tender. It was too high and he missed his hold and fell under the locomotive. His body was cut in two across the hips.

CENTRAL COMMITTEE MEETING

An earnest and enthusiastic meeting of the members of the Republican State Central Committee, the County Central Committee, and the candidates nominated in the recent primary, was held at the Opera House on Wednesday morning at ten o'clock.

Mr. John H. Cunningham, the retiring county chairman, called the meeting to order, and his ringing words of good cheer met with hearty approval from all present. The county committee was organized by the unanimous election of Theodore F. Brown, Esq., as chairman and county treasurer, and Mr. Lewis E. Shriver, secretary. In view of the fact that only three candidates for the House of Delegates filed their applications with the Board of Supervisors before the primary, there was a vacancy in that part of the ticket. The vacancy was filled on Wednesday by the enthusiastic nomination of Hon. Herbert R. Wooden. Although Mr. Wooden did not seek the nomination, it is known certainly that he will accept it as offered, and the legislative ticket composed of Hon. R. Smith Snader for the Senate; and Messrs. E. Frank Ely, Charles Kephart, Jesse Leatherwood, and Hon. Herbert R. Wooden for the House of Delegates is worthy of whole hearted support.

In a few of the districts of the county there were vacancies on the county central committee and these were filled upon the nominations made by the local committeemen of the several districts.

At the meeting of the Republican County Central Committee, on Wednesday, vacancies on the committee were filled by the appointment of the following citizens of the districts named, as follows:

Dist. 2, precinct 1: Samuel G. Repp.
Dist. 2, precinct 2: Levi D. Maus.
Dist. 4, precinct 2: George B. Knox.
Dist. 6, precinct 2: John W. Yingling.
Dist. 7, precinct 3: Greer S. Robertson.
Dist. 8: C. Atlee Fowble.
Dist. 9: Harvey L. Frizzell and J. Frank Hoffman.
Dist. 10: John H. Bowman and John H. Shirk.

HURRICANE IN GULF STATES

The Gulf States and Western Tennessee, were swept by a tremendous hurricane the early days of this week and immense damage done. The loss of life was not as great as might have been expected. At Memphis, or in that vicinity, it is said 25 persons perished and corpses were seen floating down the Mississippi. New Orleans was partially inundated and 7 persons were drowned. The damage to property in the city is estimated at $2,000,000. For a single minute the wind blew at 120 to 130 miles an hour, but its sustained velocity was 86 miles.
