Answer

When he came into the bar room first I was standing near the bar, outside of it to the best of my recollection, I could point out the exact spot

Ninth cross interrogatory

What is the size of the bar room. Is there not a large column about 12 x 18 inches square in

April Term 1868

the room between the bar & the place where the looking glass is

Answer

I never measured it, I should suppose it was sixteen by twenty inches, No Sir, there is an arch spring over but nothing to interfere with me seeing the looking glass.
