April Term 1868

Interrogatories to be propounded to Mr Radcliff for Complainants

1st. Do you know the Street or Road called County Street in or near Ellicott's Mills and the several properties fronting thereon? If yea state how long you have known them.

2nd. Look at plat or map marked Exhibit X. filed in this cause and state whether it correctly represents said street and the properties fronting thereon;

3rd. When were the obstructions indicated on said plat as existing between lots marked thereon as nos. 56 and 63, erected & by whom state all that you know about the erection thereof, by whom, when &c.

Also the 3rd & 5th Genl Interrogatories?

To Mr Talbott a witness called by the Defendant.

The 1st and 2nd above;

3rd. Mention has been made of a wall erected by Mrs Fort in front of her lot. State the nature of the front of Mrs Fort's property on said road from where the said wall begins along said street and ~~to the~~ beyond the terminus of said street on the public Road;

4th. State whether the embankment of which you have just spoken did or not exist where said wall now is, and extending even further into said street than does said wall, until cut away by said Mrs Fort for the erection of said wall, and whether said embankment was or was not a greater obstruction than the present wall in said street.

5th. Does or does not the plat marked Exhibit X delaniate said County street to its full length?

Also the 3rd, and 5th Genl. Interrogatories.

Cross Interrogatories to be propounded to Robert Wilson a witness produced on the part of the Complts

April Term 1868

1st. Is there not a bridge on County street between the premises of the Complainant and those of the defendant? If so describe said bridge.

2nd. Have you recently laid a pavement upon this road and is it not precisely on a line with respondents fence?

3rd. What is the distance from the centre line of the road as now used and laid out, to the curbstone of your Side Walk?

4, Do you know where Bernard and Eliza Fort have recently erected a stone wall along the line of this road, and how far said wall is from the centre of the road as now laid out and used?

5th. Do you know this road where it passes beyond Complainants Fort's house? and what is the width of said road between said complainants fence and the one opposite?

G.W. Sands

I.S. Tyson Sol. for respondent

Fort et al. vs Jones.

Wm Dawson Jr. Cross Examination

1st Cross Interrogatory. Do you know who erected the said obstructions? If yea state who erected the same.

2nd Do you know who is in possession of the lots numbered respectively 53, 54, 56, and 63 and who has title to the same and each of them?

If yea state your knowledge on these points.

3rd When was the road called County Street opened at its Junction with the turnpike and to what width was it opened there?

And how long have the said obstructions been erected?

I.S. Tyson Solct for Dft

Samuel S. Radcliff Cross Examined

1. How long have the obstructions of which the Complainants
