LINWOOD L. CLARK,

of Baltimore County,

One of the candidates for the Republican nomination for Congress in this district should be supported by all the

Temperance Republicans

Every one realizes that the question of temperance local option for the District of Columbia, and prohibition at large are bound to arise in the next congress, and it, therefore, behooves all temperance people to help send to Congress a man like Mr. Clark, who has been indorsed by the following local temperance organizations:

1. The Anti-Saloon League of Maryland.
2. The Lord's Day of Alliance.
3. The Law and Order League of Baltimore County.
4. And mumerous other Temperance organizations.

He will take a firm stand with those who advocate legislation calculated to preserve

The Home, the Unit of Our Civilization,

from the blighting effects of the liquor habit

FRATERNAL ORDERS

While Mr. Clark is a fraternal man, he would not, for one moment, attempt to lower the standard and lessen the dignity of such exalted fraternities as the Masons, the Odd Fellows, the Knights, and others by making a campaign expressly and directly upon such an issue. EVERY FRATERNITY MAN SHOULD REBUKE SUCH EFFORTS.

Mr. Clark should receive the support of the Republicans of this district, for the following additional reasons:

1. Because he is a tried and true Republican.
2. Because, like so many of our best citizens, he has risen from the ranks and acquired a good name and standing among his fellow citizens of Baltimore County.
3. Because in the last election, when he ran for the House of Delegates he lead the delegate ticket, and came within a few votes of being elected.
4. Because, he, like many others, believe in the doctrine of a Protective tariff and America for Americans, with no second choice.
5. Because a vote for Mr. Clark means a vote for a candidate for whom all Republicans can vote.
6. Because a Republican President, (sure to be elected this Fall) will need such a man as Mr. Clark to help him solve the many intricate questions which will arise within the next two years.

A vote for Mr. Clark will be appreciated by himself, his friends, and the Temperance People of Baltimore County.
