W. D. No. 2. is identically the same outline from Fayette street to Bank lane, from Calvert street to St. Paul street; it exhibits the location of all the titles to David Barnum, and a reference to the face of the plat will show the bounds of each particular purchase; those titles I did not locate myself, but I saw that it was correctly done. I have examined them myself, and saw that they were correct according to the deeds, Barnum's titles and the others also.

Fourth Interrogatory. State whereupon said plat, Complainants' Exhibit Commission, W. D. No. 2. are the offices of said hotel, and in particular, state the location of the Ladies Ordinary, and what use is made of so much of said building as is west thereof, or west of the line of the lot conveyed by Scott to Barnum, or as specified in said plat.

4 Answer. The offices of the original hotel are located on purchase Nos. 1 and 2 as designated on said plat; the Ladies' Ordinary rests partly on purchase No. 2. made by Barnum from Gilmor, and partly upon No. 3. made by Barnum from Moale, and partly on the purchase Barnum made from Wordyear being parcel No. 4. partly upon the purchase Mr. Barnum made from Scott, being parcel No. 5. and partly upon the purchase Andrew McLaughlin made from Elizabeth G. Scott this last portion being thirty three and a half feet on Fayette street. There is an apothecary's shop on part of it, west of said line, at the corner, and the rest is occupied for the Hotel as lodging-rooms, I think.

No other witnesses being named or produced to us, we then, at the request of the solicitor of the respective parties, closed the said commission, and now returned it closed under our hands and seals this seventeenth day of October in the year of our Lord, eighteen hundred and sixty-eight at the City of Baltimore, in the State of Maryland.
