Peter G. Cockey, aged 54 years, residing near Cockeysville, Baltimore County, produced as a witness on behalf of the Defendants, being duly sworn and examined to interrogatories filed with the defendants Solicitor and herewith returned, deposes and says:
1st. Interrogatory. State whether you were at the funeral of Richard Green, and if returning from it you had any conversation with the Complainant Thomas Ward, about the Quarry, and if yes, State what the conversation was.
Answer, I was. Sir. We left Greenmount cemetery together in a hack, and came to the City. We had some conversation about Mr. Green — We both agreed he was a good friend and kind neighbour, and — that he, (Mr Ward,) had lost the best friend he had. There was — nothing particularly said about the quarry, only the inference I drew was, that he (Mr. Ward) would not remain on the quarry. That was the inference I drew from what was said at the time. I might have drawn a wrong inference.
2nd Interrogatory. State what claim, if any, Ward made as to being the owner of the Quarry.
Answer. None, sir.
Note. The above testimony of Peter G. Cockey was excepted to by Complainant's Solicitor
