Petition of Administrators for Remand of Account & Order of Court thereon;
(Filed 16th May 1884)

Daniel J. Foley, Trustee
vs
Nicholas Popplein et al

In the
Circuit Court
of
Baltimore City.

To the Honorable Judge of said Court.

The petition of Elizabeth H. Collins and Richard Bernard administrators of John Eschbach deceased respectfully shows:

That by a decree of this Honorable Court passed on or about the 15th day of April 1884 the papers in this case were referred to the Auditor to the end that from the papers and evidence then in the case and such other evidence as may be adduced by either party, the said Auditor should state an account.

Whereupon it appears said papers were referred to the Auditor who from the papers in the case and vouchers supposed to be placed in his hands by the complainant has stated and on the 14th day of May instant has filed an account.
