he has at the instance of Elizabeth H. Collins and Richard Bernard administrators of John Eschbach taken the testimony herewith returned.

The Auditor returns herewith an account which does not differ in principle from that heretofore filed in this cause and is in all respects the same except that the interest is brought down to the date of the decree of April 15th 1884 and that the expenses of this account and the taking of the testimony are added.

As the decree of the Court now stands the Auditor considers the principle of the account now filed and of that heretofore filed to be correct.

All of which is respectfully submitted.

R. D. Morrison

Auditor.

Nicholas Popplein, and Elizabeth H. Collins and Richard Bernard administrators of John Eschbach deceased.

In account with Marcella MacFarish, Trustee.
