duced by the Plaintiff, having been first duly sworn on the Holy Evangely of Almighty God, being examined on the following interrogatories to him propounded in that behalf, makes oath, deposeth and saith as follows, that is to say:

1st inty. State your name, residence and occupation?

Ans. William G. G. Williams; Baltimore County; attorney at law.

2 inty. Do you know the parties to this cause, or either of them?

Answer. I know some of the defendants, and am a defendant myself.

3 inty. Look at the paper now shown you, marked "Exhibit W. S. G. W., No. 1," and now filed with the Examiner, and state what the same is?

Ans. It is an original mortgage given by William L. Garitee and the persons whose names are signed thereto, to secure to George Hawkins Williams the repayment of six thousand dollars.

4 inty. Did you know said Geo. Hawkins Williams, and if so, state if he be dead or not, and if yea, the date of his decease, and whether he died testate or intestate, or how that was?

Ans. He was my father, he died March the 7th last past, leaving a will appointing me executor thereto; and I have taken out letters testamentary upon said will, and I herewith file a certificate of the Register of Wills in Baltimore County, of the grant of letters to me thereunder, marked "Exhibit W. S. G. W., No. 2."

5 inty. As executor of your father have you had any occasion to examine into the amount of money owing

to your father under the mortgage from Garitee and others to him, referred to in the previous question, and if so, state how much is due and owing to your father's estate thereunder?

Answer. I have had occasion to look into the account and have found that on the 25th of May last said mortgagors were indebted to my father's estate to the extent of the sum of six thousand and five dollars and twenty four cents, and I herewith file as a part of my answer a statement of said account, marked Exhibit W. S. G. W., No. 3.

Cross-Examination.

Mr. Williams, just state how much of that amount is principal, and how much interest?

Answer. The amount of principal drawn was five thousand three hundred and sixty seven dollars and eighty two cents, and under an agreement the mortgagors should draw at any time they chose the principal in sums to suit themselves, and should either pay the interest on said sums, and only upon them, or in lieu thereof have the interest as it accrued upon said aggregate added to the amount drawn to lift it up to the six thousand dollars, the interest accounts were from time to time furnished, and sometimes some interest was paid, but as that was only seldom, I made out an interest account, which I have shown to Mr. Garitee, and which he has admitted correct, and which amounted to six hundred and thirty seven dollars and forty two cents on May the 25th, thus making the total sum of money due then six thousand and five dollars, and twenty-four cents, principal and
