MRS. GALLAGHER RESIGNS

Acting upon the resignation of Mrs. Austin Gallagher from the Woman's Section of the Maryland Council of Defense for Carroll County, Governor Harrington has appointed Mrs. Robert Sargent Shriver as Chairman in her place, and the Commission is now fully formed consisting of the following members: Mrs. Henry M. Fitzhugh, Mrs. John H. Cunningham, Mrs. Maurice S. H. Unger, Miss M. Madeline Shriver.

At a special conference called by Governor Harrington in his office Wednesday after-noon, he told the Commission of his plans for stimulating renewed interest in the work of the Woman's Section of the Maryland Council of Defense, and impressed upon them the necessity of active and effective work.

Mrs. Edward A. Shoemaker, of Baltimore, State Chairman of the Commission, was also present at the meeting.

Originally this Commission was formed by Governor Harrington at the beginning of the war, and was called the Woman's Preparedness and Survey Commission. Since the statute passed by the last Legislature, it has become part of the Maryland Council of Defense.

It is part of the programme of the National Council of Defense appointed by President Wilson, to form these Commissions in every State to act under the National Council of Defense and a great many States, of which Maryland is one, are already fully organized.

After the conference with Governor Harrington, Mrs. Shoemaker took the Commission to the Headquarters of the Woman's Section of the Maryland Council of Defense at 518 North Charles Street, and explained many points of interest in connection with the work.

The new Commission will hold its first business meeting at the earliest possible date and urgently hopes that the splendid work already begun in the County will be actively continued, and that with earnest cooperation even more and better work will be accomplished.

In the great task before us, that of winning a world war, there is no stronger force for large accomplishment than the loyal cooperation of each individual members of a community, and with the knowledge in mind, the Woman's Section of the Maryland Council of Defense asks for the enthusiastic aid and generous consideration of the men and women of Carroll County.

Mrs. Robert Sargent Shriver,
CHAIRMAN.
