Evangels of Almighty God, that being employed by Mr Thomas Hanson to make a tender of Paper Money to Mr John Casey, he did about five or six days before paper Money ceased to be in circulation near or about the end of March 1788 go to the House of Mr John Casey in Company with a certain Henry Evans, but not finding either Mr Casey or any of his Family at home, he did there count out a certain sum of paper Money in the presence of the said Henry Evans, but what sum or what particular Emissions he cannot at this length of time recollect – having done this he returned from thence carrying back with him the paper Money there being nobody there to whom it could be tendered; that he knows nothing further respecting the dispute between John Casey and Thomas Hanson; and that he has never heard any declarations of the said Casey on the subject, except general complaints of the hardship with which he had been treated – and further this deponent said not. Sworn Before – A. Hanson –

And hereupon the said John Casey prays that the said Thomas H. Hanson may answer to his declaration aforesaid; and upon this the said Philip Barton Key Attorney of the said Thomas H. Hanson says, that he is not informed by the said Thomas H. Hanson to give any answer to the said John Casey in the plea aforesaid, and says nothing else in bar or preclusion of the Action of the said John Casey aforesaid; whereby the said John Casey remains against the said Thomas H. Hanson therein undefended: Therefore it is considered by the Court here, that the said John Casey recover against the said Thomas H. Hanson as well the sum of Six hundred pounds Current Money his damages by the Court here unto him assessed, according to act of Assembly in such cases made and provided – as also the Quantity of nine hundred and forty one pounds and one fifth of a pound of Tobacco by the Court here unto him on his absent adjudged for his costs and charges by him about his suit in this behalf laid out and expended – and the said Thomas H. Hanson in Mercy and so forth –

Memorandum, Judgment rendered in this cause on the twenty fourth day of October, in the year of our Lord, One thousand seven hundred and eighty eight, for the sum of Six hundred pounds Current Money his damages laid in the declaration assessed by the Court here, To be released on payment of One hundred and twenty seven pounds, thirteen shillings and one penny Current Money with Interest thereon from this day until paid
