UNIONTOWN

Easter services at the Lutheran church and Pchel, Sunday 7:30 P. M. Early prayer meeting by the C. E society of the Lutheran church Sunday 6:30 A. M.

Miss Grace Wilson teacher of the primary department with her pupils entertained the patrons and friends Friday afternoon. After an interesting program refreshments were served followed by a social time. Miss Wilson is very popular with her pupils.

Miss Nettie Myers gave her Sunday school class of little folks an enjoyable time last Saturday evening from 6 to 9 o'clock. They were entertained by music and games and were well supplied with refreshments.

Mrs. Susan Caylor, is being cared for at the home of her son, Ezra Caylor and wife. She is quite an aged lady and is suffering from a fall received some time since at her home in Possum Hollow.

W. P. Englar, is filling up a garage adjoining his building for the convenience of the firm of Englar and Repp auto dealers.

Jacob Price and wife have returned home after several months stay in Taneytown.

Pierce Zile, moved on Tuesday to the farm of Charles J. Hibberd, near New Windsor. Raymond Dayhoff, near Martion, moved to the Maurice Duttera farm vacated by Mr. Zile. Warren Hollenbaugh takes possesion of the farm lately bought of S. and N. Fair. Abram Dodrer takes his father, Calvin Dodrer's farm, the later moving in a smaller house on the place.

Horace Simpson moves in Obadiah Fleagle's house, Ernest Troxel taking his own property. Mrs. Annie Babylon takes several rooms in William Rodkey's house.

The funeral of Mrs. Annie Eckard was held at her home Sunday afternoon, services by Rev. W. E. Saltzgiver. A number of relatives from a distance were present and the floral offerings were beautiful.

The pallbearers were: Messrs. M. A. Zullickoffer, W. P. Englar, C. Edgar Myers, Obediah Fleagle, Burrer L. Cookson and Harvey Erb.

Tickets for the "Over There" exhibition in the Fifth Regiment Armory, Baltimore, beginning March 30th are for sale at the Carroll Co. Savings Bank. To county visitors tickets bought here have special advantages.

Calvin Dodrer's farm sale on Tuesday amounted to $10,400, one house bringing $302, pair of mules $490, cow $164, heifer $146, hog $70.

Harry Stultz and wife visited F. Bowersox and atended the moving of Raymond Dayhoff and family on Tuesday.

MARINE NOTES

New York, Fred Hotchkiss, grandnephew of the inventor of the Hotchkiss gun, a weapon that was adopted by the United States Marines during the Civil War, enlisted in the Marine Corps here today. Young Hotchkiss, who has two brothers in the service, came all the way from Alaska to enlist.

His distinguished uncle, Benjamin Berkely Hotchkiss, born in Watertown, Conn., in 1826, was one of the first to adopt the principle of using explosive gas developed by firing to assist the operation of rapid-fire guns. All modern machine guns now employ this principle.

Many of the inventor's improvements in projectiles and heavy ordnance were accepted by the American Government and are now in use. Hotchkiss afterward went to Paris where he established a gun factory. He died there in 1885.

Rockford A. Nusbaum, and Harry C. Nusbaum, of Union Bridge, Md., enlisted for aviation section, Signal Corps, as machinists. They were sent yesterday by the local recruiting officer to Baltimore, for further instructions.

Mr. and Mrs. Walter Helwig went to Baltimore on Tuesday to visit Mr. Helwig's father, Mr. Henry Helwig, who is a patient at the Hahneman General Hospital.

MUCH NEEDED ASSOCIATION FORMED FOR CARROLL COUNTY

For a long time there has been a demand in Westminster for a Building and Loan Association and this demand has become greater each year.

Such an association was formed at a meeting held on Tuesday evening, the 26th. Several gentlemen of this city met and formed The Westminster Building and Loan Association, Incorparated.

The plan of operations adopted by the association was the "permanent plan" and follows the plan of the Fidelity Permanent Building and Loan Association of Baltimore City, an association which has been highly successful. Under this plan, the cost to the borrower is exactly six per cent per annum; it does not cost more the first years than it does the last few; the interest rate remains the same throughout the life of the loan. The cost of obtaining a loan has been placed at a minium; and, in addition, savings accounts will be opened with persons desiring to become members for the small sum of twenty-five cents per week for each share taken. Persons may become members upon taking out one share and being elected to membership. Dividends will be declared annually and all interest, fines, fees and charges will be used for this purpose and credited to the account of each member, in proportion to the amount of his deposit.

A number of the officers and members of the Board of Directors are also directors of the various banks of this city and are known as among the most conservative and reliable business men of the community. The association was not formed with the idea of paying large dividends to stockholders, but rather to encourage the building of homes by men of moderate means and to make the payment of principal and interest as easy and convenient as possible.

The following officers were elected: President, T. William Mather, Jr.; Vice-President, Joseph W. Smith; Secretary-Treasurer, W. Carrol Shunk; Solicitor, A. H. McCormick, Jr.; and an Executive Committee composed of a Chairman, W. Frank Thomas; Vice-Chairman, Oscar D. Gilbert; Secretary, A. H. McCormick, Jr.; and Walter H. Davis and Henry L. Hobby as members. The above named gentlemen, together with Chester A. Baile, Arthur P. Rainey, Robert S. Shriver and William H Shriver form the Board of Directors of the association, any of whom will be glad to furnish information relative to borrowing from the association for the purpose of acquiring lots or building homes and the opening of savings accounts.

The Secretary-Treasurer will be at the office of Thomas and Company every Saturday and Monday of each week between the hours of seven and eight o'clock P. M., for the receipt of deposits and the payment of dues At other times, payments may be made to Mr. Shunk at the Farmers and Mechanics National Bank during business hours.

Persons interested in an association of this character are requested to call at the office of Thomas and Company Monday or Saturday evenings and see Mr. Shunk.

FOLLOW THE CLOCK

Set it ahead an hour Saturday night.
Get up with it Sunday morning.
You'll thus start the day right and the month right.
You'll help the Government and you'll have another hour of daylight for recreation after your day's work is done.

These business men who can only buy a $50 Liberty bond probably think it is strange that the government is so slow in pushing the war.

The Kaiser is called "The Beast of Berlin." Rather hard on the beasts, who are innocent creatures doing the best they know how.

The usual army of insect pests will fight for the Kaiser on our farms and gardens this year. When you kill a bug, you help kill a Hun.

The practical result of our big airplane program to date is that we've had the publicity while Germany has got the planes.

A Badge Of Honor

A BADGE OF HONOR

A Liberty Loan button is a badge of honor. Rightfully obtained it marks the wearer as one who has performed a distinct, definite service to the country.

Not all can fight, not all can work direct for the Government; but in buying a Liberty Loan Bond, or War Savings Stamps, every American renders some service to the Nation. It has been put within the reach and power of every citizen to aid the United States financially; it is a poor American who withholds support from the Government, from our soldiers and sailors fronting death on battlefields and oceans.

Iron crosses to German soldiers, and diamond orders exchanged between Turkish and German sovereigns may be but the honors of atrocity. But a Liberty Loan button, simple as it is, signifies a patriotic duty done and is an insignia of honor.

Acetylene Gas Plants For Sale

The following carbide burning gas plants are offered at practically the buyers own prices; some of them complete with full line of House Lighting Fixtures:

3 J. B. COLT'S, 50 LIGHT CAPACITY
4 PILOT 50 LIGHT CAPACITY Manufactured by the Oxyweld Acetylene Gas Co., Newark, N. J. 1 Hurceless, 50 light capacity.

Most of these plants represent the latest models of their respective makes and few have been in use more than six to eighteen months. They are being removed either because of danger in their use or because of the expense incured in their operation since the advance in cost of carbide, and not because of defects in the plants themselves.

To anyone desiring to use this form of light or cooking for their country home the above plants can be had at prices from $25.00 up and can be installed by any hardware store or plumbing establishment.
