Order of Publication

In the Circuit Court for Carroll County, sitting in Equity. No 5098 Equity.

Laura Barnes, Plaintiff
vs
Clayton Barnes, Defendant

The obect of this suit is to procure a decree granting the plaintiff a divorce a vinculo matrimonii, from the defendant.

The bill states that on the 4th day of March A. D. 1913, the plaintiff was married to the defendant, at Uniontown, Carroll County, Maryland, and that they lived together as husband and wife in Carroll County aforesaid, until the 10th day of August, 1914.

That the plaintiff was always kind, affectionate, faithful and chaste toward her husband, the defendant, and that without any just cause or reason the defendant abandoned and deserted her and has declared his intention to live with her no longer, and that said abandonment has continued uninterruptedly for more than four years, and is deliberate and final, and the seperation of the parties beyond any reasonable expectation of reconciliation.

That the plaintiff and defendant have no children born of said marriage.

That the said defendant fled from the State of Maryland about four years ago and is now a non resident of the same.

It is thereupon, this 11th day of October A. D. 1918, ordered by the Circuit Court for Carroll County, sitting as a Court of Equity, that the plaintiff by causing a copy of this order to be inserted in some newspaper published in Carroll County, in the State of Maryland, once a week for four successive weeks before the 18th day of November, 1913, give notice to the said absent defendant of the object and substance of the said bill or complaint, warning him to appear in this Court in person or by solicitor on or before the 4th day of December next, to show cause, if any he have, why a decree ought not to be passed as prayed.
