

"Everything That Enters Into The Construction of a Building, From Foundation to Finish"

We have saved our Customers Thousands of Dollars on their purchases of

Lumber and Building Material

in the past, and we were never in a position to take care of your orders as well as we are this year. Our business has increased to such an extent that we are justified in buying in large volume and we are now classed by the manufacturers as Wholesale Dealers—a saving of at least ten per cent. to our customers. We are the LARGEST DISTRIBUTORS of the following supplies in CENTRAL MARYLAND—Headquarters not only because we are carrying the largest stock and have the most up-to-date facilities for distributing same, but on ACCOUNT OF PRICES AS WELL—

BUILDERS', FARMERS', DAIRYMEN'S, GARDENERS' and POULTRYMEN'S SUPPLIES

BUILDERS— If you are going to build, see us. An exchange of ideas will cost you nothing and we are confident it will save you money and add materially to the appearance and convenience of your house. We are members of the Builders' Exchange and National Architectural Association and in close touch with the trade generally, all to the advantage of the buying public. Ask for or send for designs for Houses, Bungalows and Barns—free for the asking.

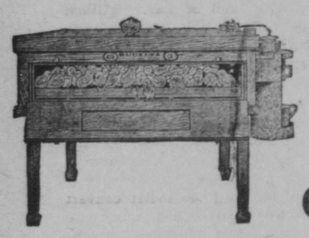

FARMERS— If you want SEEDS for the field or garden, Lime, Fertilizer, Fencing and other farm needs, see us.

Seed Potatoes

NORTHERN GROWN

U. S. Inspected

We have placed an order for 2,000 bushels of Selected Maine Stock Seed Potatoes. First car will arrive on or about March 10th. This seed comes from one of the most responsible Northern growers. We recommend same to our trade.

EARLY SIX WEEKS

It has proven to be the earliest and most productive of the early varieties.

SNOW FLAKE

This variety combines the wonderful productiveness of the Peerless with all the good quality of the Early Rose.

IRISH COBBLER

Very productive; shape, chunky; eyes, strong; flesh, white; quality, very superior.

GREEN MOUNTAIN

The best General Crop Potato on the market. A fine late sort. It has been termed "The Mortgage Lifter."

SEED CORN.

If your Field Corn is not yielding to suit you, try our Improved Large Golden Dent. The grains are usually deep, uniform ears, very prolific—one of the earliest of Yellow Corn; medium size fodder.

Prough's Excelsior White Corn

We believe this to be the best all-around White Corn in existence. It is a heavy yielder, large ears, deep grain, small cob. Free from barren stalks. Matures in 110 to 115 days.

SEED OATS

Improved White Tartar

The most remarkable Oats now under cultivation. Out-yields all others. Rust-proof and grows on all soils. A measured bushel weighs 36 pounds. We highly recommend these Oats to all our customers. Have been tested and are guaranteed to germinate.
