LARGEST UNIVERSITY IN WORLD OPENS ITS DOORS

Esablished at Beaune, in France, and Is Under the Direction of the American Army Educational Commission.

Paris, March 19.—The largest university in the world opened its doors this week in the little town of Beaune, France. This university is larger than the town, and the total number of students, when all arrive, will greatly exceed Beaune's population.

This university has nearly a thousand buildings, a library of half a million volumes, 14 separate schools or colleges or when in full operation will have about 40,000 undergraduates, every one of them from the American Expeditionary Forces.

The American Army Educational Commission has just established its headquarters at Beaune, where it went primarily to postpone for one week the formal opening. Some of the buildings were not quite ready for occupancy and complete arrangements had not been made for receiving the first rush of 10,000 soldiers.

IN MEMORIAM

CECIL—In loving remembrance of my dear parents, Sarah A. Cecil, who departed this life five years ago, April 26th, 1914, and Rev. Geo. W. Cecil, who departed this life two years ago March 31st, 1917. By their daughters, Clara Cevil Gunn.

Life is sad; O, God, how dreary;
Lonely is our hearts to-day,
For the parents we loved so dearly,
Has forever passed away.

Sleep on, dear parents sweetly rest;
We needed you, but God knew best;
God's will be done; He doeth well,
But how we miss you here no tongue can tell.
You have always been, tried and found ever true;
Always ready when a kind act you could do.

But now your busy hands are
Folded upon your peaceful breasts,
You are safe in the arms of Jesus;
Your reward is eternal rest.

Thou art gone, but not forgotten
In this great world of strife;
Thou shalt always be remembered
As long as God gives us life.

Servants of God, well done;
Thy glorious warfare's past;
The battle fought, the race is won,
And thou art crowned at last.

NOTICE!

Mr. Farmer and Mr. and Mrs. Everybody else. I address you in this manner because our line of business appeals to Men, Women and Children in every walk and vocation of life.

The Farmer should be especially interested in our line of business because we buy from the product of his Dairy Herd, and take it in any shape or form, it best suits him to sell it, in either Whole Milk, Skim Milk, Sweet Cream, or Sour Cream, and we pay him the top market price for the same.

We have secured from Mr. George N. Hunter of Westminster, Md., the property known as the "Main Court Inn" and by May 1st, 1919 we will have this building equipped with a complete line of the latest improved dairy machinery known to the trade for the handling of milk and milk products.

Our Ice Cream department will be equipped with the latest improved SANITARY equipment and will have a capacity of 1000 gallons per day. It will be our aim to maintain the high standard of quality which has been so characteristic of ZILE ICE CREAM for the past 30 years.

Always bear in mind the fact that your PICNIC, PARTY, DINNER or FESTIVAL is not complete without ZILE'S ICE CREAM, and it is not a bad idea to get the habit of asking for ZILE'S ICE CREAM in your SODA or SUNDAE, as it will not only insure you of a most pleasant and palatable dainty but an excellent food, clean and pleasant, made of Homogenized cream scientifically Pasteurized and manufactured under the most SANITARY conditions and regulations.

We invite the Dairy Farmer to give us a trial, and when your neighbor begins to see that you are so much better pleased with the Dairy end of your farm than you have been in the past, just tell him you are selling your Dairy Products to ZILE and it makes a difference.

All we can say to the dealer who expects to handle Ice Cream this season is; Give Our Ice Cream a trial and watch your business grow. We will guarantee you increased business and increased profits when you handle our CREAM, because our cream will dip more plates per gallon and the trade will use more plates per person of our cream than any other cream on the market.

Try our CREAM, make us prove these statements and be convinced your self.

Remember the time we open May 1st, 1919, the Place "Main Court Inn" and our Telephone number Westminster 261.
