MANCHESTER

The end came at 12.30 Wednesday and an aged citizen in the person of Jacob A. Frederick passed peacefully away in his 73rd year. Several years ago the activities of a busy life were halted from an attack of paralysis though after a time he rallied and was able to direct his workmen for a season but gradually frail nature yielded to the paralysis until it confined him to the home with feeble mind. He represented Carroll county in the legislature and was prominent as a democrat in the district. During the most of the above activities he lived upon a farm engaged in the dairy business. Several years ago ne bought the Franklin House property on South Main street where he spent his declining days. His remains were laid to rest on Saurtday last in the new cemetery with services in the Reformed church, Rev. Reinecke, of Westminster, officiating.
