

The First Bottle of **PE-RU-NA**

Gave Relief so Writes

Mr. M. VanBuren, Engineer, G. R. & I. Ry., 17 Highland St., Grand Rapids, Mich.

Entirely Free from Catarrh of the Stomach

"Peruna has positively done for me **what many doctors failed to do.** I have been time and again compelled to take to my bed for days. The first bottle of Peruna gave relief and while I always keep it in the house for emergencies, **I consider myself entirely free from catarrh of the stomach,** the trouble from which I suffered for so long before taking this remedy."

NIGHT AND DAY CAMP IS LIFE SAVING STATION

Tuberculosis kills 150,000 persons in the United States every year.

These two women escaped. They are shown in the Night and Day Camp conducted by the St. Louis Society for the Relief and Prevention of Tuberculosis. They are among the fortunate ones because they knew how to take care of themselves when this great menace threatened them. They knew that the cure lies in plenty of fresh air, even if the temperature is away below freezing, sunlight, good food and rest under proper medical supervision. Tuberculosis is not only curable but is preventable as well.

The prevention lies largely in right living, in building up a strong bodily resistance. Eight out of ten persons are infected at some time in their lives, according to figures of the National Tuberculosis Association, the leading agency in the United States in the fight upon this disease. This organization is sponsor for the annual Red Cross Christmas Seal sale, from which the funds to carry on the work throughout the year are chiefly derived.

RURALITES HAVE BIG HEALTH ADVANTAGE

Abundance of Fresh Air and Sunlight Do Much to Check Ravages of Tuberculosis.

DANGER IN CLOSED WINDOWS.

National Tuberculosis Association, Which Sponsors the Annual Sale of Red Cross Christmas Seals, Reports 150,000 Deaths Each Year From the Disease.

People who live in the smaller towns and on farms have a great health advantage over the city dwellers in that they have ever an abundant supply of fresh air and sunlight.

These two gifts of nature, so lavishly bestowed, are not always appreciated to their fullest extent. They are two of the strongest weapons against the menace of tuberculosis, or consumption, as it is sometimes called.

But consumption is not unknown in the rural districts. The death rate is sometimes as great in these sections as in the more crowded localities, chiefly because of carelessness or indifference to laws of health.

Few, indeed, are the farm houses or the homes in the smaller cities and villages that cannot have an outdoor sleeping porch. On the contrary, we often find that the windows of sleeping rooms in the home are shut tight in the mistaken belief that night air is harmful.

This paves the way for disease, especially tuberculosis, which generally attacks the lungs.

White Plague Kills 150,000 a Year.

The white plague claimed 150,000 lives last year in the United States. More than 1,000,000 Americans are suffering from it today. These figures are compiled from reports of experts all over the country and sent to the National Tuberculosis Association, the leading agency in the country to combat this disease. This organization is sponsor for the Red Cross Christmas Seal sale, from which its financial support is chiefly derived.

As medical science has proved consumption is both preventable and curable, the suffering caused by this disease is largely unnecessary. Most tuberculosis victims are between the ages of eighteen and forty-five.

Causes Half Billion Loss Annually.

These are the years when people are most active, the years of their greatest production. The snuffing out of these lives just when they are at the height of their usefulness means an annual loss to the country of nearly half a billion dollars.

Fresh air is the cheapest of medicines. Outdoor sleeping porches are not only for the sick. They help well folks to keep well, and the country dweller can have this aid to healthy living at far less inconvenience than his city neighbor.

You can help directly by seeing that you and your family are living under the most healthful conditions possible.

FACTS ON THE ARCH ENEMY OF HUMANITY.

Tuberculosis kills producers—chiefly men and women between the ages of 16 and 45.

It claims workers—active men and women in the homes, the office and the shop.

It causes 150,000 deaths in the United States every year.

It costs the United States in economic waste alone about $500,000,000 annually.

More than 1,000,000 persons in this country are suffering from active tuberculosis right now.

It menaces every community, every home and every individual.

AND YET TUBERCULOSIS IS CURABLE AND PREVENTABLE.

It is spread largely by ignorance, carelessness and neglect.

The National Tuberculosis Association and its 1,000 affiliated state and local organizations wage a continuous winning war on tuberculosis.

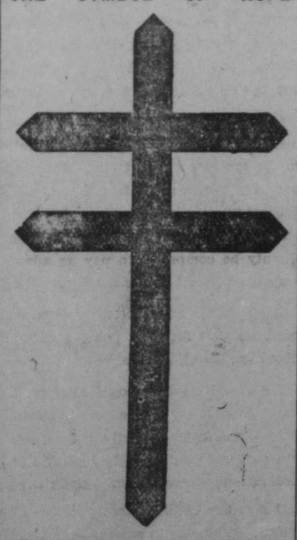

The work of these organizations is financed chiefly by the sale of Red Cross Christmas seals.

Drive the menace of tuberculosis from your door.

FIGHTING TUBERCULOSIS.

The National Tuberculosis Association has launched an extensive educational campaign. A recent health survey revealed a yearly death rate in the United States of 150,000 and there are today 1,000,000 active cases.

THE SYMBOL OF HOPE.

This is the emblem of the National Tuberculosis Association which annually sponsors the sale of the Red Cross Christmas Seals.

TO THE SCHOOL CHILDREN OF THE UNITED STATES

Two years ago, as President of the United States and as President of the American Red Cross, I addressed to you a letter in which I advised you to enroll in the newly organized Junior Red Cross, and I explained to you some of the ways in which the Junior Red Cross would help you to be useful to your country and to the children of those countries which were associated with us in a great war against a powerful enemy. Millions of you did join the Junior Red Cross and worked hard and what you did is warmly appreciated by the whole country.

Now, by the blessings of God and through the faithful performance of duty by our soldiers and sailors and the soldiers and sailors of the countries by whose side we fought, a great victory has been won and the war is over, but I am sure that you wish to continue to be useful to your country and to children less fortunate than yourselves. Therefore, I am writing to you at the opening of the new school year to advise you again to join the Junior Red Cross, which has planned a work for peace times even larger and more systematic than the work done during the war.

The Junior Red Cross will instruct you in ideals and habits of service, will show you how to be useful to your school, how to aid the older people in your community in their efforts to promote the health and comfort of the people among whom you live, and how to help children who are still suffering from the effects of the great war in foreign lands invaded by the enemy.

The recent war was the greatest of all wars, not only because more men and nations engaged in it than in any other war of history, but also because, as a result of it, people have seen a vision of a different kind of world from the world of the past, a world in which nations shall unite for purposes of peace and good will as they formerly united only for war against an armed foe. In working for the children of other nations you will come to understand them better and they will understand and appreciate you more.

Your education will not be complete unless you learn how to be good citizens, and the Junior Red Cross plans to teach you simple lessons of citizenship through its organization and its activities. It is your generation which must carry on the work of our generation at home and abroad and you cannot begin too soon to train your minds and habits for this responsibility. By doing what you can to make happier the people of your neighborhood, your state and country and also the people of other lands, you make yourselves happier.

(signed) Woodrow Wilson.

DR. FAHRNEY

DIAGNOSTICIAN

SPECIALIST IN CHRONIC DISEASES

You are not well. Send me your name and address and I shall tell you all about it and why.

HAGERSTOWN, MD.

Congress is making an effort to reduce expenses, but it is not reported so far that the appropriation for mailing their speeches to constituents will be cut down.

Cost of hair cutting going up, but much can be acomplished among plain and honest people with a pair of vine clippers.

HEARD IN WESTMINSTER

How Bad Backs Have Been Made Strong —Kidney Ills Corrected.

All over Westminster you hear it. Doan's Kidney Pills are keeping up the good work. Westminster people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own townspeople. They tell it for the benefit of you who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or passages are painful, scanty and off color, use Doan's Kidney Pills, the remedy that has helped so many of your friends and neighbors. Follow this Westminster citizen's advice and give Doan's a chance to do the same for you.

Mrs. J. J. Hesson, 54 Pennsylvania Ave., says: "Three years ago I suffered from a severe attack of kidney trouble. I had pains across the small of my back and I couldn't take a deep breath my head ached, too. At last a relative told me about Doan's Kidney Pills and I got some at the Shaw Drug Co. They gave me immediate relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bowers had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.
