DO YOU REALIZE

The advantage of Service? And what it really means to you to deal with those who are in a position to supply your demands?

In these times especially, Efficiency, Service and Saving are the Watchwords.

We are the owners of the only automobile hearse in the City, always ready for our patrons' use. That is service.
As the oldest established undertaking business in the City we deem it our duty to give attention to to the very smallest details, and assume every burden of responsibility which our patrons choose to impose on us. That is Efficiency.

We have no extra charge for automobile funerals, and we are the only house in the City in a position to do this. That is Saving.

The "Frick Tractor" fills a long felt want for a Tractor which is as well adapted for belt work as for traction and tillage uses.

The motor of the "Frick" starts easily in the coldest weather.
