MANCHESTER

We have had the crystal period of the month during the last weeks that were sunless with snow, rain and mist falling all the time, day and night, and most of the time freezing as it fell, so that our pavements and streets were covered with several inches of ice making travel difficult and pedestrains were driven to the middle of the street where the horses and vehicles broke and crushed the ice, making safe walking. But, it interfered with the Sunday morning communion service in Trinity Reformed church by Rev. Freeman; yet there was a good congregation present to enjoy the fine service. The weather conditions were not improved any by evening yet the Revs. Reinecke and Walck of Westminster were present and held service. Rev. Reinecke conducted the opening and installation service. Rev. Walck preached the sermon from the first clause of the 5th verse of 37 Psalm, holding the closest attention of the large congregation during his fine delivery. Rev. Freeman was called to the altar where he was fully installed pastor of the Manchester Reformed charge.

Mrs. J. E. Musseman, teacher of the primary department of Trinity Reformed Sunday school and co-laborers held a luncheon on Friday in the lecture room of the church, that too was interfered with by the inclement weather yet patronage was exceptionally good. The luncheon consisting of fine chicken soup, chicken sandwiches, pickles, crackers and coffee was heartily enjoyed by all and netted the promters $37.00. At 9:15 the following entertained the large audience. Instrumental duet, Mertle Strevig at piano, accompanied with violin; Piano solo, Mrs. W. W. Wentz, Pantomine, "My Old Kentucky Home"; sixteen Misses in long white robes replied to the song with gestures and motions much to their credit and that of their instructor. Mrs. Walter W. Wentz, pianoist and Mrs. Harvey Rhodes, soloist. On Sunday previous, 18th a small sack was given to each scholar in the room to use in canvass among his friends for contributions for the Hoffman Orphan Home. On Sunday 25th, when the return was made to the teacher it totaled $61.00 in sack contents from one to eight dollars.

Through the kindness of Mr. Samuel Warner, Rev. Freeman and family were taken to Lineboro on Thursday where they enjoyed a pleasant day. The Rev. administered the communion to several old members of the Lineboro congregation.

A company of home talent is in rehearsal to give a three act drama, "The Red Acre Farm" in the Manchester Theatre on Friday evening, February 6th.

Mr. Ephriam Yingling, near Greenmount, died at his home on Monday morning at the age of 82 years. He was in impaired health for some time and gradually frail nature weakened until the end. He was a consistent member of the Lutaheran church from early manhood. His rem ns were laid to rest on Thursday. Rev. Leatherman officiating.

Mrs. Gertie Gonder, hostess at the home of Mr. Ephriam W. Garrett, has passed through a siege of suffering during the week from inflammatory rheumatism.

The condition of Mr. Curvin Ament is still critical.

Miss Bird of Virginia is visiting her sister, Mrs. E. W. Gregory, on York street.

Mr. Harry Lippy and family moved into the home on High street which he bought from Mr. Samuel Hann.

We are sorry our Gas Company is in a strait and at this season is not able to find the leak that it claims is costing it too much carbide, the ground being frozen 15 to 18 inches deep, making digging impossible. They still are furnishing the churches and I. O. O. F. hall and the streets during dark nights.

Persons who embraced the opportunity to be present at the annual meeting of the Aid Society of the Lutheran Church on Monday evening enjoyed a fine entertainment. At 8 P. M., Mrs. H. S. Musselman called to order and the audience arose and sang America, followed by the collection of dues and routine business. The acting as grand mother in dress and language and the recitation introduced the Pageant, "The Striking of America's Hour," was fine in every detail. The little tots as well as the grown ups showed good training so that it progressed without a hitch, then, too the dress showed the master hand and the willing help that had brought forth the nationalities. When America came to the call in national dress it almost brought the audience to its feet in applause, for it was the crowning point of the entertainment. The audience owe the lodge promoter a vote of thanks for her success in giving them an entertainment that had wrapped in it so much of the realities of daily readings. At the close all were invited to the social room where sandwiches, coffee &c., were served.

THE TELEPHONE SITUATION IN MARYLAND

WE ARE SUBMITTING to the Public Service Commission a petition for increased rates throughout Maryland. These rates, if authorized, will yield only a fair return on our investment.

LIKE ALL OTHER INDUSTRIES, we have been seriously affected by increased costs. At the present time our earnings are not sufficient to pay operating expenses and interest charges.

WE DO NOT ASK for an excessive return. We recognize our obligation, as a public utility, to give the public good service at reasonable charges.

WE ARE STRIVING to give good service, but to do so we must have a reasonable return on our investment. Without it we cannot provide the property and working force that make good service; nor can we secure the new capital necessary to keep pace with the growth of your community.

WE ARE SUBMITTING to the Public Service Commission all the facts and figures pertaining to our operations in Maryland in order that it may make a thorough investigation.

WE ARE ANXIOUS that our patrons and the public generally should know the situation confronting us, because we believe that with a knowledge of these facts you will endorse our efforts to earn a fair return. In this way only can we fulfill completely our obligations to those we serve.
