THE WRECK OF A DICTATORSHIP

The cabinet is falling to pieces and is arriving at a state of impotency that prevents anything except the most commonplace sort of functioning. The whole executive department seems to be in a litter. It is reported, for instance, that in some departments hundreds of useless clerks are remaining on the payrolls as hangovers from the war-time stress because nobody seems to have the authority, or perhaps the energy, to oust them. And there is nothing warranting the hope that conditions will get any better before they grow worse.

Here is a situation that is made possible only because for the last seven years the office of the Chief Executive has been considered by its occupant not a presidency but a dictatorship. Now the hand of the master has weakened, and there is no one in regular place schooled or permitted to do his work. The favorites scramble for place and power.

There are a lot of people who won't do any work for civic progress, but they take great credit for being willing to give the community the benefit of their criticism without charge.

A lot of people who get triple pay for doing war work, are now bragging about the patriotism they showed in supporting the government through the war.

Taking baby up at night is often the cause of bad colds. Use Dr. Fahrney's Teething Syrup and stay in bed. 25cts.

Some folks in Westminster are willing to have Gc to Church Sunday observed, if thereby they can gain immunity for another year.

SUNDAY SCHOOL LESSON

By REV. F. D. FARNHAM, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.

(Copyright, 1920, Western Newspaper Union)

LESSON FOR FEBRUARY 1

PETER AND JOHN IN SAMARIA.

(May be used with missionary applications.)

LESSON TEXT—Acts 8:4-25.

GOLDEN TEXT—Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth.—Acts 1:8.

ADDITIONAL MATERIAL—II Kings 17:24-31; Luke 10:33-35; John 4:1-42.

PRIMARY TOPIC—Telling Others About Jesus.

JUNIOR TOPIC—Peter and John in a Strange City.

INTERMEDIATE AND SENIOR TOPIC—Three Missionaries and Their Triumphs.

I. Preaching the Word Everywhere (v. 4).

After the stoning of Stephen the enemies of the Lord were more active than ever in their efforts to stamp out the new faith. With Saul as their leader they rushed back to the city, dragged from their homes and imprisoned those who confessed Christ. In this the devil overreached himself, for the believers took flight and went everywhere preaching the word. The time had come for the witness-bearing to extend beyond Jerusalem and Judea. Preaching was not confined to the twelve. The Lord thus makes the devil's wickedness to further his own purpose. Frequently, in the hour of trial, Christians see more clearly their duty and bestir themselves to perform it. If Christians will not move on, the Lord will shove them on.

II. Philip Preaching the Gospel in Samaria. (vv. 5-13).

Hitherto the gospel had reached only Jews; now its scope broadens and a Jew is preaching to Samaritans, and Samaritans are rejoicing in the gospel of Christ proclaimed by a Jew. His preaching was fruitful for multitudes believed his message. Much joy in this Samaritan city followed the reception of the message. Both Samaritans and Jews were looking for Christ, so they were glad to know that the Christ had come. Christ is the one name and person who will break down race prejudice. In him there is unity and real brotherhood, for he is the universal man. The only hope of the world is Christ.

So great was Philip's success that Simon Magnus professed faith and was baptized. Simon was a sorcerer who by magical devices had made a great reputation, gaining control of many of the credulous and ignorant, so that they regarded him as some great one from God (v. 10). The people turned from this sorcerer to the gospel of Christ.

III. Peter and John Sent to Samaria (vv. 14-17).

The church at Jerusalem sent two of its best men to encourage the work. They discerned that the Spirit had not yet fallen upon the believers, so they laid hands upon them and the Spirit was given unto them. These Samaritans were really converted, regenerated, but had not yet been filled with the Spirit's gift. Believers should seek the Spirit's gift at once, for this will exclude the interests of the world. The mission of Peter and John shows the unity of the church—the mother church gave sanction to the new work in Samaria. Much of the work of the modern evangelist is a failure because it is not properly followed up by those who will instruct and bring the converts into relationship with the living church.

IV. Simon's Wicked Request (vv. 18-24).

When Simon saw that the power of Peter exceeded that which he possessed and that it was received through the laying on of hands, he offered money for the gift. This act reveals the hypocrisy of this man. He professed faith and was baptized, following after them for a selfish end. To desire and seek the gift of the Spirit for selfish aggrandizement is to be guilty of Simon's sin. All traffic in sacred things has been called "Simony," from the name of this sorcerer. Peter told Simon that he had neither part nor lot in this matter, that he should repent of his wickedness and pray to God for forgiveness. He requested Peter to pray for him.

Simon practiced the art of sorcery for gain and influence. Now that he found his profits diminishing and his influence waning, he endeavored to acquire new power. All persons who use their religion to further their ambitions to get gain are guilty of this sin. Sometimes men join the church for business, social, and political reasons; sometimes official positions are coveted for the prestige and power they give. Let all who are using the name of the church for business purposes be warned by Peter's rebuke! Let Simon's doom be a solemn warning to all!

The Goal.

The goal on which our eyes must be set is a church that will, in its own corporate life, conspicuously express the Christian ideal of fellowship and brotherhood, and at the same time strive persistently to mold national, industrial and social life in accordance with the principles which are the fountain light of all its days.

Delight in God's Work.

All great art is the expression of man's delight in God's work, not in his own.—Ruskin.
