(Continued from first page)

number of meetings held 256, estimated attendance 23,166, and number of miles traveled 4,521.

Number of girls enrolled in sewing 280, No. of articles of clothing made 1020.

Number of girls enrolled in canning 230.

Number of jars fruit canned 8720.

Number of girls enrolled in poultry 9..

Number of chickens raised 1940.

Number of girls enrolled in garden 86.

Carroll County had State winning girl in canning last year, winning $16.50 from State Food Administration. Two girls won free trip to College Park and expenses for one week's Short Course. Eight others paid their own way for the course. Prizes have not yet been awarded for this year. As work has not been carried on since September our exhibits were not as fine or as large as usual although some girls have done excellent work. The school to receive banner for best exhibit was won by Mt. Airy last year, but by Union Bridge this year In the localities where the mothers and teachers have pushed this work it has grown wonderfully, but the work is new to some and many do not realize the meaning of our work. For this year we had planned two new phases of the work, that of bread making and keeping of expense accounts. Each girl is asked to make bread twice a month for four months, send in a report and bring exhibit of work done.

We furnish the girls with little expense account books in which we ask them to keep account of every cent given or earned and record of how it is spent for four months. A little business training when young may help them to be a true partner when they come to the business of spending the family income. Many women now puzzling with the family budget wish they had had more training along that line. The most gratifying phase of this work is the interest of the mothers and the loyal support of the teachers.

We are planning on a camping trip for reward of work this year. A point system has been arranged as the following:

1. Bread—twice per month for 4 months. 25 points.

2. Personal Accounts—for 4 mo. 25 points.

3. Canning—30 jars cold pack method, 25 points.

4. Garden—any size-Business account, 30 points.

5. Poultry—A. 3 settings pure bred 25 points.

B. Feeding for 4 months according to college method, 25 points.

Any girl winning 100 points may get free trip to camp. The Washington County girls wish to join with Carroll County girls in trip.

A THOROUGH TEST
One To Convince the Most Skeptical Westminster Reader.

The test of time is the test that counts.

Doan's Kidney Pills have made their reputation by effective action. Ask your neighbor!

The following case is typical.

Westminster residents should be convinced.

The testimony is confirmed—the proof complete.

Testimony like this cannot be ignored.

M. E. Campbell, prop. of meat market, Main St., Westminster, says: "My back ached and my kidneys were out of order. I used Doan's Kidney Pills, procured from Moore's Drug Store and they made me well."

Over five years later, Mr. Campbell added: "All that I have said in a previous statement praising Doan's Kidney Pills holds good. They have given me permanent benefit from kidney trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Campbell had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

MATERIALS
OUR SECOND LARGEST
EXPENSE

NEXT TO THE MONEY paid employees, the cost of materials is the most important factor of expense in operating any telephone system. This holds good everywhere, and it is quite true of our company.

PUBLIC REGULATION FIXES the price we may charge for our service, but it does not keep the price of materials down. We must pay current market prices for the materials we require to maintain our plant and equipment. Since 1914 the average price of

MATERIAL REQUIRED TO FURNISH TELEPHONE SERVICE HAS INCREASED 90 PER CENT.

BUT IN SPITE OF the burdens of rising wages and increased cost of materials, our whole effort has been to maintain our equipment at Bell System standards and to furnish good service.

WE CANNOT REASONABLY be expected to continue supplying service without adequate revenues; and therefore we are now asking the Public Service Commission for increased rates sufficient to pay our expenses and earn a fair return.

IN MEMORIAM

Jenkins—In sad but loving remembrance of my beloved mother, Eliza Jane Jenkins, who departed this life nine years ago, February 27, 1911.

Have you a mother? The nlove her well
While she is here on earth,
Do not wait until her death
To appreciate her precious worth.

A happy home I once enjoyed;
How sweet the memory still,
But death has left a vacant chair
This world can never fill.

It's sweet to be remembered
And a pleasant thing to find,
Although you may be absent
You are always in my mind.
By her son, Fred S. Jenkins.

Nurses Wanted
