MEN'S FASHIONS.

The moguls of style in Paris, New York, and other capitals of fashion still seem to control women's costumes pretty well. They persuade the women to throw away clothes before they are half worn out, and thereby increase sales.

Designers of men's clothing have always wanted similar style changes in men's wear. They would like more color and other startling effects. But the men draw back from frills and fads.

In conformity to this feeling, the designers of men's clothing announce that they are giving up the tight suits that they sold through the war, and will substitute a natural fitting coat. Therein they show their good sense. The average man wishes to think as little as possible about his clothes. He desires substantial material, and a quiet pattern that will not attract attention. He does not care at all whether he conforms to the latest Broadway whim.

CONVINCING TESTIMONY

Given by Many Westminster People.

Experiences told by Westminster people—

Those who have had weak kidneys—

Who used Doan's Kidney Pills—

Who found the remedy effective—

Such statements prove merit.

You might doubt an utter stranger.

You must believe Westminster people.

Here's Westminster proof. Verify it

Read. Investigate. Be convinced.

Ask your neighbor!

You'll find why Westminster folks believe in Doan's.

Mrs. Jennie Nagle, 92 Pennsylvania Ave., Westminster, says: "Many years ago I had trouble with my kidneys. My back and my feet were so badly swollen I couldn't put my shoes on. My head also ached constantly. My kidneys acted irregularly and annoyed me greatly. I tried different remedies but they didn't help me at all and when a friend told me about Doan's Kidney Pills I decided to give them a trial. They helped me immediately. I still use Doan's Kidney Pills occasionally getting them at Boyle's Drug Store."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Nagle had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
