att which said second Tuesday of October, and next Court afs. being this day to wit, the 13th day of October anno Doms. 1713. come as well the ds. parties Plf. & Deft by their Attorneys afs. as the ds. Sherr. and James Carroll surveyr. especially appointed by consent of Plf. & Deft who make return to the court here of the said warrt. above directed as follows Vizt.

Ann Arundel ss. Sept. 10th 1713. By virtue of a warrant issued out of her Mastys honble Provl Court dated the 18th of July last and directed to her Mastys Surveyor, or to any other discreet and skilful person commanding to resurvey in the presence of the Sherr. a certaine tract of land in the said County called Smiths Neck according to the pretensions of the Plf. to lay the same down in black lynes, also according to the pretensions of the Dft. and his to lay down in prickt lines, also to run out any adjacent lands that should be thought fitt by either the Plff. or Deft. the better to illustrate their or either pretensions. These are humbly to certifie that I have resurveyed the said Smiths Neck according to the pretensions of the Plff. in the presence of the Sherr. as appears within the Black Lines, Beginning at a white Oake stump as A: being at the Head of Smiths Creek, and run thence (instead of West) West 28 degrees, Northerly 243 Ps. to the stump of the original bounder at the head of Inlargemt. Creek (as called by the Plff.) at B. thence down the said Creeke to South River as p. the Plat, thence along and wth the River to the mouth of Smiths Creeke afs. thence upon and wth the ds. Creeke to the head thereof at A: and containing 748 acres as p. the Plat annexed. For illustration of which pretensions the Plff. required that Harnes be surveyed, and laid downe before the said Honble Court wch I have done in the presence afs. Beginning at the Head of Harnes Branch at E. thence East 44 ps. to Inlargement Creek thence bounding upon and with the said Creek to the white and stump at the head thereof being the ds. bounder as alledged of Smiths Neck at B. thence North 420 ps. thence West 120 ps. thence instead of South we run

South

South 20d. Westerly 208. pers. to the Head of Oatley Creek thence bounding on a tract of land called Oatley, and a streight line to the first beginning at E. For further illustration of the Premises the Plf. requires the Land called Oatley to be surveyed and laid down which I humbly certifie to have done as follr. Beginning at Oatly Point being the Mouth of Oatley Point, being the mouth of Oatley Creek as at F. thence down the River to the mouth of Harnis' Branch thence along the ds. Branch, and the land called Harnis' 80. ps. thence bounding on the said Land to the Head of Oatley Creek, thence down bounding on and wth the said Oatley Creek to the Mouth thereof at F. as afs. as p. the Platt annexed.

For the Defendant. And do further humbly certifie, that I have laid down the pretensions of the Deft. as follr. Beginning at a Parcell of Pair Trees Cionces, growing from the Root of a Pair Tree planted for the Originall and first bounder as yr. Deft. alledges of Smiths Neck, standing at the Head of a Cove of Smiths Creek, called by the Deft. Smiths' Branch as at DD. thence instead of West, we run West 2 Degrees, Northerly 169 Perches to a bound Gumb bound for the Original & 2d. bounded Tree of Smiths Neck as the Defent. sayeth, and standing at the head of a small Creek called by the Deft. Inlargement Creek at CC, thence bounding on the said Creeke to the River, and bounded by the River to the mouth of Smiths Creek, and bounded by the ds. Creek to the mouth of Smiths' Branch as afs. and bounded by the said Branch to the head thereof at DD. containing 154 acres.

For illustration of the said Pretensions the Deft. requires that one hundred acres of land part of a tract of Land called Crosse's Levell be surveyed, and laid down before the said honble Court I have resurveyed the said one hundred acres in the presence of the Sherr. as afs. Beginning at a bound Gumb at the head of Inlargement Creek bounded for the originall and 2d. boundary of Smiths' Neck as alledged, and appears at CC. thence East by North
