NO. 5216 EQUITY

IN THE CIRCUIT COURT FOR CARROLL COUNTY.

Bessie Walters, Plaintiff.

VS.

Ewald W. Walters, Defendant.

The object of this suit is for Bessie Walters the plaintiff to procure a decree of divorce a mensa et thoro from Ewald W. Waters.

The bill states that on the 16th day of April 1918, the Plaintiff was married to the Defendant at Carroll county, Maryland, by the Rev. J. H. Schooley, and shortly after their marriage her husband, the said Ewald W. Walters, who was then in the service of the United States Government, went with the Expeditionary Forces to France, and she lived with her adopted parents at Freedom, Carroll county, until his return in the spring of 1919.

That after her husband's return she went to live with him in Anne Arundel county, where they lived but a short time, when they returned to Carroll county and went to housekeeping at Eldersburg. That one child was born of said marriage.

That while they were living in Eldersburg, and after the birth of the child he treated her with great harshness and unkindness, which she did not resent, and in spite of her efforts to make him a pleasant home, he without any just cause or reason on the 25th day of February last, abandoned and deserted her and declared his intention to live with her no longer, and she is informed he is now living in Pittsburgh, in the State of Pennsylvania; that such abandonment and desertion has continued uninterruptedly since then and is deliberate and final, and the separation of the parties beyond all reasonable hope or expectation of reconciliation. That her conduct toward her husband was always kind, affectionate and above reproach and his abandonment and desertion of her is without any cause or justification. That she desires to be awarded the guardianship and custody of their infant child, Albert Ewald Walters.

The Bill then prays.

(a) That the Complainant may be divorced a mensa et thoro from the said Ewald W. Walters.

(b) That she may be awarded the guardianship and custody of her infant child.

(c) That she may have such other and further relief as her case may require.

It is thereupon this 8th day of May in the year Nineteen Hundred and Twenty, by the Circuit Court for Carroll county, sitting as a Court of Equity, ordered that the Plaintiff by causing a copy of this order to be inserted in some newspaper published in Carroll county, for four successive weeks, before the 14th day of June 1920, give notice to Ewald W. Walters, non-resident defendant of the object and substance of this Bill warning him to appear in this Court in person or by Solicitor on or before the 1st day of July next to show cause if any he has why a decree ought not to issue as prayed.
